

Get real work experience!

IBM Internship Program 2014

IBM Delivery Centre CE team in Brno makes it possible for you to take part in interesting projects within The Internship Program. This program is available from February 2014 – June 2014.

IBM Delivery Centre CE Brno is one of the biggest and most diverse IBM centers of its kind worldwide. Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

Document Management Coordinator

The scope of this initiative will be IMPROVEMENT of the central file / document management system within IBM. Idea behind is to have something on a level of MS SHAREPOINT developed and introduced. The solution can be used to provide intranet portals, document & file management, collaboration, social networking, websites, enterprise search, business intelligence etc. Currently we have separate systems for above mentioned areas, same for reporting. The main goal of this initiative is to improve efficiency.

Description of roles:

This will be a long term initiative and will require functionality assessment on different levels, for different systems, requirements collection, prioritization of collected requirements and high level planning of development / deployment in phases.

Skills required:

- Good organizational skills
- Communication and presentation skills
- Ability to work independently on given tasks
- Creativity

You will have the opportunity to:

- Get hands-on experience in an **IT leading global company**
- **Meet the TOP IT experts in the world**
- Have individual support from **your own mentor**
- Improve your English skills
- Attend **internal IBM trainings**
- Meet people from all over the world
- **Network**
- **Have further cooperation with IBM**

Detailed description of the internship position will be given at the interview.

If you are interested, send us your CV and motivation letter in English to Markosova_lvana@cz.ibm.com by Monday January 6, **2014**. Should you have any questions, feel free to write to us.
