IBM Internship Program 2014

IBM Delivery Centre CE team in Brno makes it possible for you to take part in interesting projects within The Internship Program. This program is available from February 2014 – June 2014.

IBM Delivery Centre CE Brno is one of the biggest and most diverse IBM centers of its kind worldwide. Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

Wiki Pages Administrator

Goal of this project is to build centralized Wintel technical Wiki web targeting Microsoft Windows Server, Citrix and Intel-based HW technologies. Input data will be current technical documentation used by seven Wintel support teams. Wiki will contain not only technical guidance, procedures and best practices, but also tools and scripts developed within IBM teams.

Description of roles:

- Consolidation of current technical documentation
- Best practices and tools from Wintel teams (seven)
- Building the navigation structure based on logical hierarchy
- Standardize the layer and content of technical documents

Skills required:

- Very good documentation skills
- English on communicative level
- Basic knowledge of www pages creation and navigation (system is in place already - IBM Connections)
- Knowledge of basic technical terms

You will have the opportunity to:

- Get hands-on experience in an **IT leading global company**
- **Meet the TOP IT experts in the world**
- Have individual support from **your own mentor**
- Improve your English skills
- Attend **internal IBM trainings**
- Meet people from all over the world
- **Network**
- **Have further cooperation with IBM**

Detailed description of the internship position will be given at the interview.

If you are interested, send us your CV and motivation letter in English to Markosova_ivana@cz.ibm.com by Monday **January 6, 2014**. Should you have any questions, feel free to write to us.
