

## Curriculum Vitae

### Name and surname, including degrees:

- Doc. Filip Černoč, Ph.D.

### Date and place of birth:

- 26.3.1981, Jeseník.

### Web of Science Researcher ID

- X-8648-2019

### Education:

- 2018: Habilitation in Political Science, Faculty of Social Studies, Masaryk University (Thesis: “Energy Transition: the Case Study of Germany and the Czech Republic”).
- 2011: PhD in Political Science, Faculty of Social Studies, Masaryk University (Thesis: “Energy Policy of the EU and Energy Interests of the Czech Republic”).
- 2006: MA in International Relations, Faculty of Social Studies, Masaryk University (Thesis: Oil Weapon and its Impact on Foreign Policies of U.S. and Europe”).

### Work experience:

- Since 2018: Associate Professor, department of International Relations and European Studies, FSS MU.
- Since 2015: Assistant Professor, department of International Relations and European Studies, FSS MU.
- 2014-2015: Member of the advisory board of the PM Bohuslav Sobotka, energy-related issues.
- 2012-2015: Postdoc, department of International Relations and European Studies, FSS MU.
- 2008-2012: Research Assistant, International Institute of Political Science of Masaryk University, FSS MU.
- 2011-2014: Manager, OPVK project „Innovation for Education on the Department of International Relations and European Studies“, MU.
- 2006-2011: Journalist, Profit weekly (EU and small business-related economic issues).

### Further relevant activities:

- Since 2016: Member of the editorial board of “Global Security: Health, Science and Policy” journal (Routledge).
- Since 2014: Member of the “ Interdepartmental Working Group on Climate Issues” of the Czech government.

### Courses regularly taught at the Masaryk University

- Energetická politika EU.
- Energy Policy of the EU.
- Environmentální aspekty energetiky.
- Environmental Aspects of Energy.
- Energetická bezpečnost: východiska a implikace pro fungování mezinárodního systému.
- Exploring Energy Security: An Introduction.
- Introduction to Energy Security: Related Concepts.

### Scholarly and research placements outside of the Czech Republic

- 9/2020 – 6/2021 Fulbright visiting researcher stipendia – Dartmouth College, New Hampshire, US.
- Deutsche Gesellschaft für Auswärtige Politik e.V. (DGAP, German Council on Foreign Relations), department Die Bibliothek und Dokumentationsstelle der DGAP, Berlin, Germany, 2014/2015 (6 months, research).
- Pázmány Péter Catholic University, Institute of International Studies and Political Science, Budapest, Hungary, 2018. (Short term visit, teaching Energy Policy of the EU course).
- University of Konstanz, Department of Politics and Public Administrations, Konstanz, Germany, 2014. (Short term visit, teaching Energy Policy of the EU course).
- Ural Federal University, Ural Institute of Humanities, Yekaterinburg, Russian Federation, 2013. (Short term visit, teaching Energy Policy of the EU course).
- Collegium Civitas University, Warsaw, Poland, 2012. (Short term visit, teaching Energy Policy of the EU course).

### **Services provided to students at the Masaryk University**

- Supervision and management of the 'Energy Policy Studies' and 'Energetická bezpečnost a mezinárodní vztahy' Master's programmes.
- Member of the Doctoral Board (programmes International Territorial Studies; International Relations and European Politics).
- Member of the Programme Board (programme Mezinárodní vztahy a evropská politika)

### **Grants and projects**

- Principal investigator of the research grant "Exploring and explaining participation in local opposition: case of brown coal mining in Horní Jiřetín", GACR, 2017-2020 (Junion GACR).
- Co-applicant of research grant "Integrace trhů se zemním plynem v rámci regionu V4: současný stav a výhled", Technology Agency of the Czech Republic, 2016.
- Principal investigator of the research grant "Impacts of the Energiewende on the energy security of Czech republic and Poland", Czech-Polish Forum, 2016.
- Co-operation on the grant proposed by Slovak Foreign Policy Association "Building Capacities for Energy Sector Reform: Sharing V4 Experience with Ukraine", International Visegrad Fund, 2015-2016.
- Principal investigator of the research grant „Diversity of gas supplies as a key precondition for the effective V4 gas market“, International Visegrad Fund, 2014.
- Co-investigator of the grant "Carbon Capture & Storage – Sharing Knowledge and Experience, Norwegian Funds, 2014-2016.
- Principal investigator of the research grant „Nová role Německa v EU, budoucnost osy Berlín-Paříž a perspektivy vícerychlostní Evropy z hlediska zahraničně-politických zájmů ČR“, Technology Agency of the Czech Republic, 2013.
- Co-investigator of research grant "Energetická infrastruktura a její vliv na energetickou bezpečnost", Grant Agency of Masaryk University, 2013-2015.
- Co-investigator of research grant „Břidličný plyn: nová oblast česko-polské spolupráce“, Czech-Polish Forum, 2012.
- Co-investigator of OPVK project „Innovation for Education on the Department of International Relations and European Studies“, Ministry of Education, Youth and Sports, 2011-2014.
- Co-investigator of research grant „Unconventional Sources of Natural Gas – Potential and Possible Outcomes for the CEE Region“, Ministry of Foreign Affairs of the CR 2011.
- Co-investigator of research grant „Future of the Družba Pipeline as a Strategic Challenge for Czech and Polish Republic“, Czech-Polish Forum, 2011.
- Co-investigator of research grant „Russia's Activity in the Countries Exporting the LNG“, Ministry of Foreign Affairs of the Czech Republic, 2010.
- Principal investigator of the research grant „Energy security of the Czech Republic and a Future of Energy Policy of the EU“, Ministry of Foreign Affairs of the Czech Republic, 2010.
- Principal investigator of the research grant „Czech-Polish Energy Co-operation – Advocacy of Common Interests in the EU“, Czech-Polish Forum, 2010.

- Principal investigator of the research grant „Research of the National Populism and Nationalism in the Czech Republic, Poland, Hungary and Slovakia“, Visegrad Fund 2010.
- Co-investigator of research grant "LNG: an Alternative to the Russia's Supply of Natural Gas to the EU?", Ministry of Foreign Affairs of the Czech Republic, 2008.

## List of Scholarly and Artistic Works

### Article published in a scholarly journal listed in the WoS database

- Osička, J.; Kemmerzell, J.; Zoll, M.; Lehotský, L.; Černocho, F.; Knodt, M.(2019): What's next for the European coal heartland? Exploring the future of coal in German, Polish and Czech press. *Energy Research & Social Science*, *in press*.
- Černocho, F.; Lehotský, L.; Ocelík, P.; Osička, J.; Vencourová, Ž., (2019). Anti-fossil frames: Examining narratives of the opposition to brown coal mining in the Czech Republic. *Energy Research & Social Science*, vol. 54, pp. 140-149. ISSN 2214-6296.
- Lehotský, L.; Černocho, F.; Osička, J.; Ocelík, P.; (2019). When climate change is missing: Media discourse on coal mining in the Czech Republic. *Energy Policy*, vol. 129, pp. 774-786. ISSN 0301-4215.
- Osička, J.; Lehotský, L.; Zapletalová, V.; Černocho, F.; Dančák, B.(2017): Natural gas market integration in the Visegrad 4 region: An example to follow or to avoid? *Energy Policy*, vol. 112, pp. 184-197. ISSN 0301-4215.
- Ocelík, P.; Osička, J.; Zapletalová, V.; Černocho, F.; Dančák, B.(2017): Local opposition and acceptance of a deep geological repository of radioactive waste in the Czech Republic: A frame analysis. *Energy Policy*, vol. 105, pp. 458-466. ISSN 0301-4215.
- Černocho, F.; Zapletalová, V.(2015): Hinkley Point C: A new chance for nuclear power plant construction in central Europe? *Energy Policy*, vol. 83, pp. 165-168. ISSN 0301-4215.

### Article published in a scholarly journal listed in the Scopus database

- Osička, J.; Černocho, F.(2017): Anatomy of a black sheep: The roots of the Czech Republic's pro-nuclear energy policy. *Energy Research & Social Science*, vol. 27, pp. 9-13. ISSN 2214-6296.
- Jirušek, M.; Leshchenko, A.; Černocho, F.(2015): Russian Energy Interests in the Ukrainian Gas Sector: Strategically Motivated Conduct? *Geopolitics of Energy*, vol. 37, no. 4, pp. 9-20. ISSN 0273-1371

### Article published in a Czech peer-reviewed journal included in the List of non-impact peer-reviewed journals published in the Czech Republic

- Černocho, F.; Jirušek, M.(2014): Proměna státní energetické koncepce z hlediska teoretických přístupů. *Energetika*, vol. 64, no. 2, pp. 67-70. ISSN 0375-8842.
- Vlček, T.; Černocho, F.(2013): Aktuální projekty v oblasti skladování a dopravy ropy do ČR. *Paliva*, vol. 5, no. 1, pp. 1-6. ISSN 1804-2058.
- Vlček, T.; Černocho, F.(2013): Aktuální vývoj ve vybraných hnědouhelných kontraktech v České republice. *Energetika*, vol. 63, no. 7, pp. 466-467. ISSN 0375-8842
- Jirušek, M.; Černocho, F.(2013): Strategický a tržně orientovaný přístup k energetické politice v koncepčních dokumentech České republiky a Evropské unie. *Politologický časopis*, 2013, vol. 20, no. 4, pp. 441-468. ISSN 1211-3247.
- Vlček, T.; Černocho, F.(2013): Zamyšlení nad pozadím současného stavu české elektroenergetiky. *Energetika*, vol. 63, no. 2, pp. 68-70. ISSN 0375-8842.
- Černocho, F.; Vlček, T.; Zapletalová, V.(2010): Energetická politika ČR v rozhodování politických stran: agregace a artikulace zájmů z hlediska jejich intenzity a konzistence. *Středoevropské politické studie*. 2010, vol. XII, no. 4, pp. 255-284. ISSN 1212-7817.
- Černocho, F.(2007): Ropná zbraň: strašák, nebo reálná hrozba? *Mezinárodní vztahy*, vol. 3, no. 3. ISSN 0323-1844.

### Article published in another peer-reviewed journal

- Schejbalová, B.; Černoch, F.(2013): Atomausstieg: The withdrawal of Germany from nuclear energy and its impact on energy security and the diversification of energy supply. *International Issues & Slovak Foreign Policy Affairs*, vol. 2013, no. 3, pp. 74-99. ISSN 1337-5482.
- Černoch, F.(2011): Slasti a strasti prosazování energetických zájmů v EU. *Revue politika*, vol. 2011, no. 4. ISSN 1214-0899.
