Ice Hockey: History, Vocabulary, Fouls

1/ Read the short text about the history of ice hockey and answer the questions:

The Origins of the Game

Most historians place the roots of hockey in the chilly climates of northern Europe, specifically Great Britain and France, where field hockey was a popular summer sport more than 500 years ago. When the ponds and lakes froze in winter, it was not unusual for the athletes who fancied that sport to play a version of it on ice.

Articles in London newspapers around that time mention increasing interest in the sport, which many observers believe got its name from the French word "hoquet", which means a "bent stick." A number of writers thought this game should be forbidden because it was so disruptive to people out for a leisurely winter skate.

Hockey Comes to North America

Not surprisingly, the earliest North American games were played in Canada. British soldiers organized contests on frozen ponds in Halifax in the 1870s, and about that same time in Montreal students from McGill University began facing off against each other in a downtown ice rink. Hockey became so popular that games were soon being played on a regular basis between clubs from Toronto, Ottawa, and Montreal. The English Governor, Lord Stanley of Preston, was so impressed that in 1892 he bought a silver bowl with an interior gold finish and ordered that it would be given each year to the best amateur team in Canada. That trophy, of course, is known as the Stanley Cup and is awarded today to the winners of the National Hockey League playoffs.

Discussion point:

What do you know about ice hockey history?

Where did the game emerge?

What is the origin of the word "hockey"?

In which Canadian cities were the first ice hockey clubs founded?

True or false:

The word "hoquet" is of Spanish origin.

The first ice hockey games were organized in Canada by British soldiers.

The Stanley Cup is a golden bowl with an interior silver finish.

The Stanley Cup is awarded to the winners of the British Hockey League playoffs.

3/ Ice Hockey Vocabulary

- **13.** What the goalie guards.

U4 Ice-hockey penalties/fouls

Task 1: Look at the list of penalties below and classify them to the following headings:

Penalties Against a Player

Technical penalties

- Boarding
- Clipping
- Cross-Checking
- Delaying the Game
- Elbowing
- Equipment Malfunctions
- Falling on the Puck
- Handling the Puck
- Holding an Opponent
- Holding the Stick
- Hooking
- Charging
- · Checking from Behind
- Interference
- Kneeing
- · Late Line-Up
- Slashing
- Spearing
- Too Many Players on the Ice
- Tripping

categories:

Task 2: Now make further classification of the fouls below into the following

Stick fouls Physical fouls:

- Boarding
- Butt-ending
- Clipping
- Cross-Checking
- Elbowing
- Fighting
- Headbutting
- Hooking
- Charging
- Checking from Behind
- Kicking
- Kneeing
- Roughing
- Slashing

- Slew-footing Spearing Tripping

Task 3: Look at the pictures and decide which fouls you can see in them:
