

## Laundry in A35 pavilion

All laundry must be **marked** with non-washable fabric pen (one is at your disposal in room No 1S046, or 128) on a visible place indicating **the name, surname and number, see below!**

### Structure biology

Name, surname 163/1000

### Molecular medicine

Name, surname, 163/3000

### Neuroscience

Name, surname, 163/4000

Please mark the laundry as follows:

Lab coat .....inner back of the collar

Trousers .....inner front of the waist part

Blouse, shirt .....inner back of the collar

At the present time the laundry is to be collected in the room No 1S046 (changing room MEN) in the containers labelled according to centres. While bringing the laundry do not forget to fill in the form placed on the container (date, RG, name, No. of pieces)

Laundry is to be collected till the first Monday in each even month (August, October, December ...); the laundry will be washed within a week. First collection of the laundry is till **1<sup>th</sup> October 2014!!!**

Infectious laundry must be sterilized in autoclave before it is put into a laundry container!
