

English as a Medium of Instruction (EMI):

Essential skills and areas of focus

- definition(s)
- opinions
- skills

Definition(s)

- “The use of the English language to teach academic subjects (other than English itself) in countries or jurisdictions in which the majority of the population’s first language is not English”. (Dearden, 2015)

Definition(s)

- “The use of the English language to teach academic subjects (other than English itself) in countries or jurisdictions in which the majority of the population’s first language is not English”. (Dearden, 2015)
- ***Work in groups. Based on your experience, formulate a more complex definition of EMI.***

Note the difference between EMI and CLIL!

English as a medium of Instruction

VS

Content and Language Integrated Learning

opinions

Do you agree or disagree with the following opinions given your own context?

skills

Which are the most important skills for an effective use of EMI?

**We wish you
a happy summer school!**
