

B7 Impromptu situations

B7.1 In the classroom

I'm sorry.

Sorry, that was my fault.

I'll be back in a moment.

Excuse me. I'll be right back.

I've got to go out for a moment.

Carry on with the exercise while I'm out.

I'm afraid I can't speak any louder.

I seem to be losing my voice. I have a sore throat.

I have a headache. Let's leave it there for today.

I'm feeling under the weather. We'll finish this the next day.

Excuse me. I need to take a short break.

B7.2 In the corridor

What was the matter?

What is going on?

Could I get past, please?

You're blocking the way.

Can I get through, please?

Would you mind picking that up, please?

Excuse me. Could you make less noise, please? There is a class going on in here.
