MARIE SKŁODOWSKA CURIE ACTIONS RESEARCH AND INNOVATION STAFF EXCHANGE (RISE)

The main aim of the event, which is organised by the Technology Centre CAS, is to promote benefits of H2020 MSCA RISE scheme. You will be informed about the RISE scheme that supports research/innovation staff exchanges between academic and non-academic sector and exchanges between Europe and the rest of the world. The ultimate goal is to encourage the various organisations and their staff involved in research and innovation to participate in future RISE calls and make sure such participation will meet their expectations and have the desired impact.

The target group of this training event includes researchers, administrators and support staff involved in preparation and implementation of EU projects.
