Deadline for submission of applications: 1. 8. – 30. 11. 2021

Method of submitting applications:

- e-application submitted via the IS MU,
- additional materials as specified in [Terms and Conditions of Admission to FEA's Doctoral Degree Programmes in the academic year 2021/2022](#),
- a fee of 600 CZK (paid via the Business Centre of the IS MU).

Entrance examination date: 24. 1. 2022

The entrance examination to the doctoral study programmes at the Faculty of Economics and Administration consists of the following:

- specialised examinations to verify expert knowledge of the applicant (in compliance with requirements stipulated for individual programmes),
- panel discussions with the intent of examining the suitability of an applicant for creative scientific work and their motivation for study in a DSP (based on submitted materials stipulated for individual specialisations),
- English language examination, whose aim is to examine the ability of applicants and their level of English including their knowledge of basic economic terminology; in the case where an applicant provides a certificate of passing an English language test, the English language examination can be recognised based on their certificate.

The examination committee, which is appointed for individual fields of study in the DSP by the dean, following the recommendation of the chairperson of the doctoral board, has at least three members.

The entrance examination is evaluated by the following:

- specialised examination 20%
- panel discussions 70%
- English language examination 10%.

Further detailed informations about the requirements for study programmes, content, form of entrance examinations, and conditions concerning recognition of the English language examination can be found at <https://www.econ.muni.cz/en/admissions/phd-studies/how-to-apply/entrance-examinations>

The list of announced and approved research topics of dissertation is available at <https://www.econ.muni.cz/en/admissions/phd-studies/research-topics>

The research topic of dissertation and the supervisor's name are obligatory and must be stated in the application. The applicant is obliged to agree in advance with a supervisor on cooperation on the given topic and to have his approval.
