

Greetings students,

We would like to inform you of a unique opportunity.

Exponea Experience Cloud is an AI-powered marketing automation platform and is the fastest growing SaaS company in Europe and the 2nd fastest in the world. The team's focus is in customer-centric marketing solutions for e-commerce.

The company is offering multiple paid internships to students in Edinburgh. The duration of the program is 8 weeks and will be divided into 4 weeks in Edinburgh and 4 weeks in Bratislava.

You can find more information concerning open positions and registration on the link below.
