

## Get real work experience!

### IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

**IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide.** Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

#### Storage Area Network Administrator

You will have the opportunity to become part of Storage team where the main responsibility is to manage storage area network and storage systems in big customer environment.

You will be introduced to Storage Area Network concepts and administration best practices. Position is a technical one - once you will have suitable knowledge about the matter, you will work on basic issues/modifications (under supervision from experienced team members). You will also be presented to management tools used in enterprise company.

#### Work activities:

- disk allocation, de-allocation in distributed environment
- server build (storage configuration)
- SAN Switch zoning / configuration
- basic problem determination on network and storage equipment
- working with management tools

All workload is done on storage equipment via management servers (UNIX, Windows).

#### Skills required:

- basic Windows systems knowledge
- basic Unix systems knowledge
- basic idea of how SCSI protocol works
- ability to understand written and spoken English language  
having some network (for example ethernet) experience is a benefit but it's not mandatory skill.
- Fibre Channel knowledge is a benefit but not mandatory skill.

#### You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to **lenka.dadova@cz.ibm.com** by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
