

**Annex No. 3: Publication related to the PhD Thesis topic**

Only works whose affiliation shows that they were achieved as results of doctoral studies at the Faculty of Medicine, MU and their affiliation to the Faculty of Medicine, MU is in accordance with proper academic practices, see Faculty of Medicine Guidelines No. [1/2019](#), may be recognised as publication outputs necessary for admission to the defence.

Surname, Name, title, učo:	
----------------------------	--

**Summary**

Publication		Number	IF/Q-WOS
Jimp	First-Author		Pr.: 1.: 2,7/Q2 Pr.: 2.: 5,6/Q1
	Co-authored		
Jrec	First-Author		
	Co-authored		
Others	Books		
	Chapters in Books		
	Contributions in the proceedings		
	Others (patents...)		

**Detailed overview of publication activity**

**Original articles with IF<sup>1</sup>**

**A. First-Author**

1. Bibliographic record of the publications<sup>2</sup>

IF <sup>3</sup>	Q WOS	WOS category

Citations (bibliographic records of citations)<sup>4</sup>

- 1.
- 2.
- 3.

2. Bibliographic record of the publications

IF	Q WOS	WOS category

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

<sup>1</sup> For publications with IF (Impact Factor), please also indicate the category according to WOS and Q WOS (Impact Factor quartile), example: IF=1,167; GENETICS & HEREDITY Q4 (in case of multiple categories, indicate the category with the highest relevant quartile).

<sup>2</sup> With regard to the implementation of subsequent checks according to the regulations/guidelines of the Faculty of Medicine, when citing articles with multiple authors, please cite all authors, DO NOT use the abbreviation "et al.", "etc." (or equivalent in the language in which the article is written).

<sup>3</sup> Indicate the IF in the year of publication. If the publication has only been accepted for publication, please indicate the current IF of the journal. Publications prior to the start of Ph.D. studies may also be listed with the approval of the discipline board.

<sup>4</sup> Please cite only the most relevant quotations. More than three citations are possible. Self-citations are not to be cited; co-author citations are also considered self-citations.

**B. Co-authored**

1. Bibliographic record of the publications

IF	Q WOS	WOS category

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

2. Bibliographic record of the publications

IF	Q WOS	WOS category

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

**Original papers in peer-reviewed journals**

**A. First-Author**

1. Bibliographic record of the publications

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

2. Bibliographic record of the publications

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

**B. Co-authored**

1. Bibliographic record of the publications

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

2. Bibliographic record of the publications

Citations (bibliographic records of citations)

- 1.
- 2.
- 3.

**Other publications**
