

INFORMATION FOR GRADUATION

For students of General Medicine and Dentistry in the academic year 2023/2024

Dear Students,

Below please find instructions from the International Study Affairs of the Masaryk University, Faculty of Medicine concerning the graduation.

Graduation in English language will be held in the Assembly Hall of Faculty of Law

- on Monday **24th June 2024 at 13,00** for General Medicine 01 + Dentistry
- on Monday **24th June 2024 at 14,20** for General Medicine 02

For graduation, please appear **not later than an hour before its beginning** in the entrance hall of the MU Faculty of Law, 70, Veveří Street, Brno (on the ground floor on the right side near the cloakroom). You will receive information about the graduation ceremony there, so please be there **ONE HOUR PRIOR TO THE BEGINNING**.

Please bring your DIPLOMA if it was collected before!

If you find out that you cannot participate, please let me know immediately because I need to prepare the final list of attending students in advance! You can make changes in the registration in the IS **till 17 June 2023 then you need to email me.**

You can choose who will be your promotor for graduation, it is the person who will hand the diploma to you during the ceremony.

At the same time, please inform your guests that they should appear in time for the ceremony, should keep their mobile telephones switched off, and thus contribute to the dignified progress of the solemn act. Thank you very much for respecting this.

The International Study Affairs will arrange a video recording and a photographer. If you wish to buy a set of photos or a video from the ceremony. You can also order photos in advance on this link <https://artstudio.sumupstore.com/> or at the spot for 600 CZK (25 photos) send electronically to your given email address.
