- Areas of Excellence
- Results
- Partners
- PhD study programmes
- Conditions for research and attractive career
- HR Award

MUNI
FACULTY
OF MEDICINE

We connect history, tradition and quality of education

We are one of the four founding faculties of Masaryk University

Since our establishment, we have educated over 22 000 doctors, 3 000 healthcare professionals and 3 000 dentists

We are long-term interested in the best students and future graduates

The Faculty in Numbers

55

clinical
departments

16

theoretical
departments

4

specialised
departments

20

research
groups

3 400

undergraduate

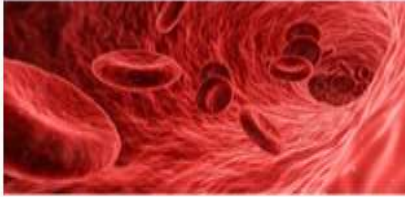

1 500

employees

500

doctoral students

Areas of Excellence

Cellular Biology

Genetics

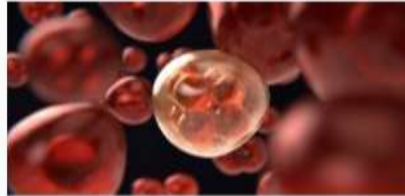

Innovative Therapies

Cardiology

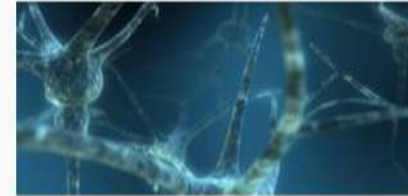

Microbiology

Molecular Biology

Tumor Biology

Neurosciences 

Oncology

Reproductive Medicine

**Tissue and Regenerative
Medicine**

Stem Cell Research

Results

2021

- 1000+ publications
- 80+ of them published in the 1st WoS decile
- 60+ applied research projects submitted
- 4,3 mio EUR for applied research projects
- 2 trademarks
- 1 European patent
- 301-350 in QSWorld University Ranking (401-450 in 2020)
- 401-500 in Shanghai Ranking

Partners

- University Hospital Brno
- St. Anne's University Hospital Brno
- Masaryk Memorial Cancer Institute
- CEITEC MU (Central-European Technology Institute)
- ICRC (International Clinical Research Centre)
- CZECRIN (Czech Clinical Research and Infrastructure Network)

15 PhD Study Programmes

- Anesthesiology, Intensive Medicine and Pain Management
- Biomedical Sciences
- Bioethics
- Dentistry and Otorinolaryngology
- Healthcare Simulation
- Hygiene, Preventive Medicine and Epidemiology
- Imaging Methods and Medical Physics
- Internal Medicine
- Medical Microbiology, Immunology and Pathology
- Neurosciences
- Oncology and Hematology
- Paediatrics
- Pharmacology
- Physiology, Pathological Physiology, Medical Chemistry and Biochemistry
- Surgery and Reproductive Medicine

Summary of PhD Study Programmes

orpheus
Organisation for PhD Education in Biomedicine and Health
Science in the European System

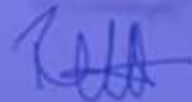

Faculty of Medicine, Masaryk University

has been awarded an

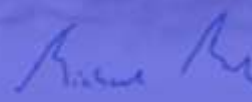

ORPHEUS Evaluation Certificate

for the careful consideration of
their PhD training in relation to the
recommendations of the

ORPHEUS/AMSE
Best Practices for PhD Training
