Financing in Health Tech and Life Science Business

Pasi Sorvisto

12 January 2022 | 4 – 5 pm (CET) | Online Webinar

Developing a new solution or establishing a viable and growing company requires funding. Investors, business partners, clinical partners... everybody expects the team and company to be fundable.

So, the question is; what should everyone in this industry understand about financing aspects? What kind of a team and startup in health tech and life sciences is fundable? What kind of financing instruments exists? How do you build a financing portfolio for each stage of a lifecycle of a new company?

In this **SPARK EUROPE WEBINAR**, **Pasi Sorvisto** will provide some answers and perspectives to these questions. Pasi is a founder of SPARK Finland, a Director of SPARK Europe and a member of SPARK Global Steering Committee. He is an internationally acknowledged business and finance professional – specialized in sensor systems, health IT and bioinformatics – with more than 20 years of experience as an entrepreneur, consult, early-stage financier, and advisor.

Online via [Zoom](#) | Please register [here](#)!

Registration to the webinar is required in advance. Please register no later than January 11th, 2022.

The webinar is open to all **SPARKees**, **SPARK mentors**, and **students** and **staff** of **SPARK associated organizations**.

In unforeseen cases, the organizers may change and update topics and speakers.
