Analysing health tech and life science markets and competitors

Andrij Włach

6 Apr 2022 | 16-17 (CET)
Online Webinar

- **Wondering whether your idea may become a viable product/service?**
- **Why should you care about market analysis and competitive landscape?**
- **Where to find market information relevant to your idea?**

In this webinar, **Andrij Włach** will share some experiences with you and show you how to approach the market analysis in an efficient manner and not lose your mind.

Andrij Włach is an expert in business planning and evaluation of investment projects. He has gained his experience, among others, as a financial advisor at Wroclaw Research Center EIT+ and authorized adviser in the New Connect Stock Exchange Market. Former member of supervisory boards in many start-ups (BOSSG & EIT+ Technologies, Incuvo, Infermedica, Ekoinwentyka, Hybrid Glass Poland, Startit Vet). Since 2014 Andrij has held the role of a partner in Kvarko Group, managing the Group's finances conducting intellectual property valuations, and supporting the development of start-ups in the company's portfolio. Kvarko Group, as an investment fund supports currently more than 20 companies from the high-tech and life science industry.
