Daily scholarship lump sum:

Group of countries A: CZK 600 per day

Group of countries B: CZK 1,000 per day

Group of countries C: CZK 1,200 per day

Amounts may be increased above the set value for each country group according to the real costs of accommodation if the accommodation is a more economical option, e.g. a shared student room.

The length of stay and the amount of the scholarship are determined as follows:

The length of the stay abroad is calculated according to the rules of the Erasmus programme. The part of the stay abroad whose duration lasts for whole months is paid according to monthly flat rates. If the stay is shorter than 1 month, or in the case of the remaining part of the stay, the following rule is used for payment:

1 to 7 days: support is calculated on the basis of daily lump sums

8 to 20 days: support amounts to 1/2 of the monthly lump sum

21 to 30 days: support amounts to the full amount of the monthly lump sum.
