

Operating rules of the car park in the Botanická 68a area

I. GENERAL PROVISIONS

These operating rules (hereinafter referred to as the rules) regulate the conditions for the use of parking spaces (hereinafter referred to as the parking lot) in the Botanická 68a area. By parking their vehicles in the car park, vehicle owners and operators agree to the Regulations and undertake to comply with them.

The provisions of Act No. 361/2000 Coll., on Road Traffic, Act No. 13/1997 Coll., on Roads, together with Decree No. 30/2001 Coll., on Rules of Traffic on Roads and other legal regulations related to car traffic apply in the car park. The speed of cars throughout the parking area is limited to a maximum of 10 km/h.

Neither the owner of the premises, MU Brno, nor its operator and administrator shall be liable for loss or damage to vehicles used or parked in the car park, their accessories or items stored therein. Each driver and operator of a vehicle is solely responsible for all risks of loss and damage to vehicles (and their contents) parked there, as well as for all other losses and damages related thereto. No person who parks their vehicle in the car park shall be entitled to assume that they have entrusted their vehicle to the custody of the owner or manager of the premises. The parking lot is not guarded, but only monitored, where such monitoring does not create any liability on the part of the owner or the manager of the premises for damage to vehicles, their accessories and items therein. The monitoring complies with the Data Protection Act, Act No. 101/2000 Coll.

Users of the car park are obliged to use only their employee cards to operate the barrier system. The reception service is not authorized to allow entry/exit of employee vehicles to/from the car park.

Users are obliged to inform the reception service of all emergencies in the car park (traffic accidents, injuries, entrance/exit barrier failure, etc.).

It is forbidden in the parking lot:

- Parking in non-designated spaces. Vehicles obstructing traffic in the parking lot will be towed from the parking area at the expense of the owners of those vehicles.
- Introduction and handling of hazardous and noxious substances.
- Refuelling or handling.
- Storage or other handling of waste, especially waste containing oil or flammable substances.
- Storage of any substances or items except in designated areas.
- Carrying out maintenance and repair of vehicles, including checking the electrolyte level in vehicle batteries.
- Washing or cleaning the interior of the vehicle, bodywork and engines of parked vehicles.
- Parking vehicles without proper registration plates.
- Parking vehicles with leaking operating fluids (oil, coolant, etc.).
- Parking of vehicles exhibiting excessive smoke.
- Any littering of the car park with cigarette butts, mud from vehicles, faeces or rubbish.
- Damage to the parking lot and the operator's equipment installed in the parking lot.
- Ride bicycles, scooters, roller skates, skateboards or other means (e.g. go-karts).
- Leaving any items, especially valuable items, in, on or around vehicles.

LONG-TERM PARKING OF VEHICLES IS PROHIBITED!

Obligations of car park users

- Not to restrict or endanger other users of the car park or other persons.
- Act in such a way that no damage to health or property is caused or threatened.
- Do not pollute the parking area.
- Switch off the engine immediately after parking the vehicle and start it only just before leaving the parking space.
- Park so that the parked vehicle does not exceed the designated parking space for one vehicle.
- Do not stay in the car park area longer than is strictly necessary.
- Do not leave children and animals in vehicles.
- Be cautious when moving in the car park and take extra care with regard to motor vehicle traffic.
- Adults accompanying children are responsible for their safety in the car park.

II. SPECIAL PROVISIONS FOR PARKING IN UNDERGROUND GARAGES

White numbered parking spaces are reserved for faculty employees. Yellow numbered parking spaces are for CSP tenants.

The roller shutter at the entrance to the underground garage is drawn on weekdays from 5.30 am to 8 pm. Outside of these hours, parking spaces behind Building B are designated for parking for MU employees with at least 0.5 hours of service whose workplace is located in the building.

CSP tenants are allowed to enter the underground garages without restrictions under the following conditions: to enter the underground garages, it is first necessary to ring the bell at the post at the entrance to the ramp, report by name to the receptionist, who will pull the shutter and then the person requesting access to the garage with their own smart card will lift the barrier. When exiting, similarly - first ask the reception staff to pull the roller shutter, then the parker leaves the garage, again using their own smart card to operate the barrier.
