

Replacement of the document by a solemn declaration

It is necessary for the candidate to formulate the facts himself, can be used [general pattern](#) . In the case of a missing certificate, diploma or supplement to the diploma, the candidate shall state in the affidavit information that he would otherwise prove with this document, resp. would be mentioned in this document.

If the applicant replaces **a high school diploma** , he / she shall state in the affidavit: the name of the completed secondary school (it is also appropriate to state in Ukrainian in Cyrillic - for easy retrieval), the seat of the completed secondary school, the name of the certificate of secondary education, degree of the study program / field, date or at least the year of issue of the given document, or any other information that the tenderer is able to provide to describe the document.

If the candidate replaces **a diploma** , he / she shall state in the affidavit: the name of the completed university (it is also appropriate to state in Ukrainian press Cyrillic), the seat of the completed university, the name or type of university diploma (ie bachelor's, specialist, master's, candidate of science, doctoral, other), the name of the completed study program / field, the date or at least the year of issue of the diploma, or any other information that the tenderer is able to provide to describe the document.

If the applicant replaces **the Diploma Supplement** , he / she shall state in the affidavit: the name of the completed university, the seat of the completed university, place of study, level or type of education (ie bachelor's, master's, specialists, doctoral or other), name of the completed study program / field, period of study, list of courses or information about completed courses, or information on internships, final state examinations or final theses, or any other information that the candidate is able to provide.

The candidate can write a solemn declaration in any language. However, if it is in a language other than Czech or English, the candidate will also need to provide an official translation. The solemn declaration must contain the name, surname, date of birth and address of the applicant's permanent residence, as well as the facts declared by the applicant, his handwritten signature and date.
