Subject: GE Foundation program - new deadline: January 31, 2007

Dear all,

this is to inform you that the application deadline for the GE Foundation Scholar-Leaders Program in the Czech Republic has been extended, the new application deadline is January 31, 2007. For this scholarship, second-year students can apply at your university, in the following fields: engineering, technology, economics, management. We would be grateful if you could pass on this information to interested students.

The program details, including the application form, are available on the program webpage, www.iie.hu/ge_cz, and also at the end of this email. Please feel free to forward it to interested students or your colleagues.

Please let us know if you have any questions. We wish you happy holidays!

Kind regards,
IIE European Office
