COURSE ASSESSMENT

Essay Questions:

1.   Does the beginning and end of the European Union public policy cycle produce benefits or problems?

2. Is European Union public policy making 'Europeanised'?

3. Identify benefits and problems in respect of the principles of harmonisation, mutual recognition and convergence in one public policy area within the E.U. public policy process. *(SEE THE NOTE IN THE COURSE PROGRAMME IN THE I.S. ON WHAT DOES NOT CONSTITUTE A PUBLIC POLICY AREA.)*

Structure of Essay Answers

Analyse the question – 'content words', 'process words'

Structure of your essay/answer – in what order, and how will you address the question (brief in introduction)

Theories and Arguments – theories, models and arguments you will employ to analyse, critically assess, evaluate, compare and contrast

Content and evidence – examples, in terms of information or details you use in order to sustain or challenge the various theories and arguments you have employed in analysis of the question

Conclusion – your summary of the various points and arguments/theories of explanation, and your critical evaluation/assessment/comparison of them based on that
