

Gartner Magic Quadrant Tool

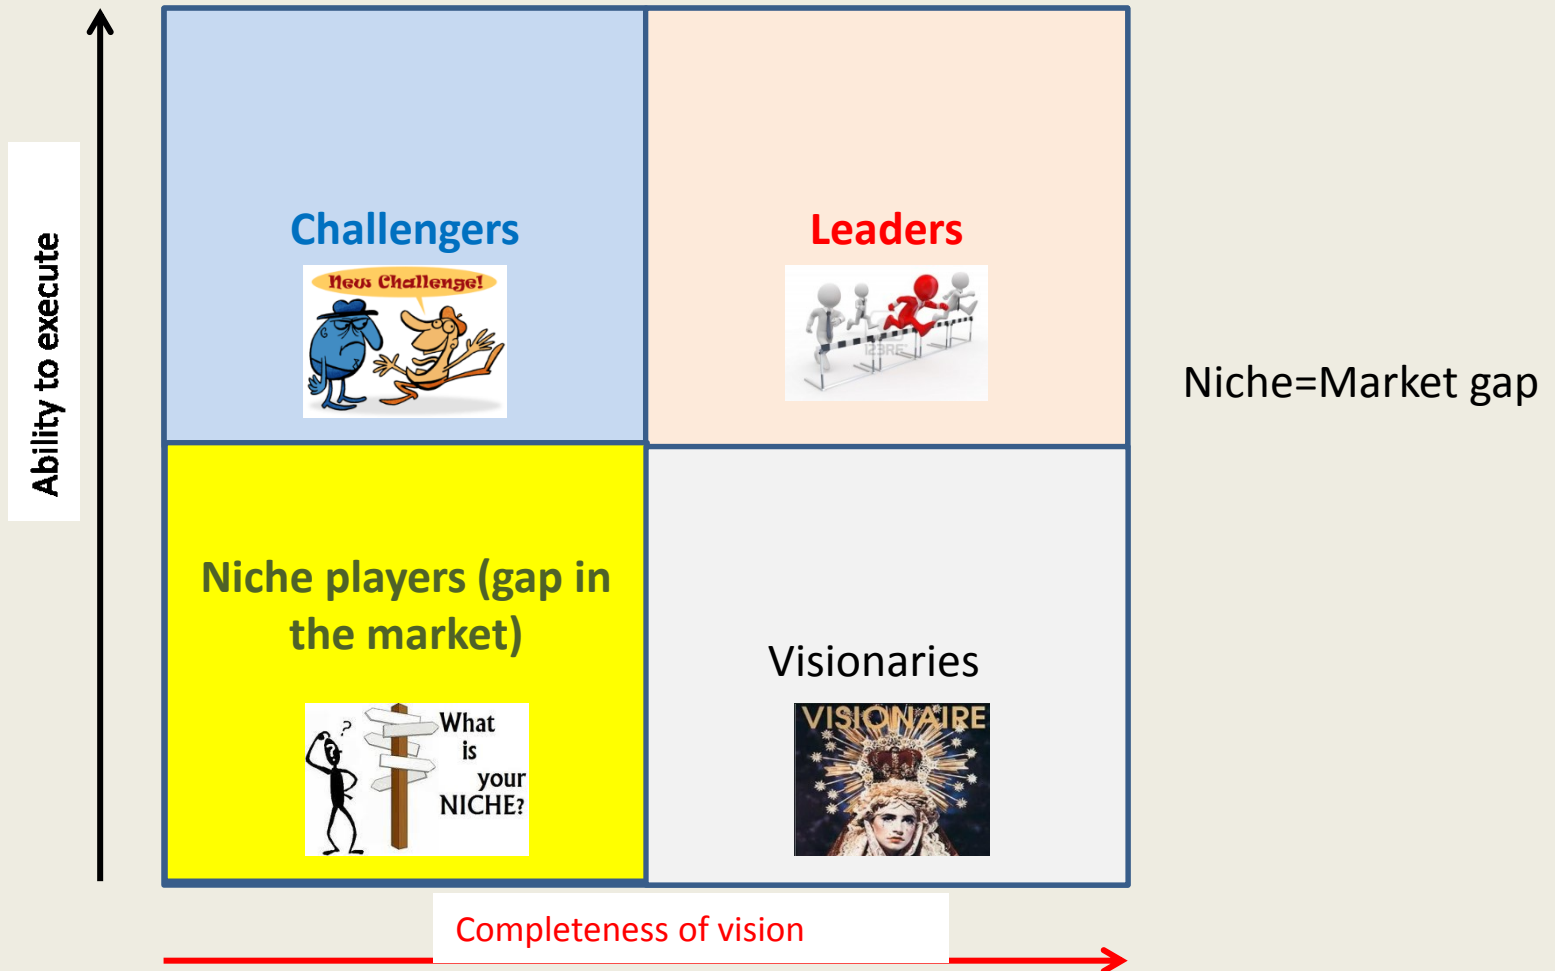

J.Skorkovský , KPH

Agenda related to MQ Matrix

- Positioning Technology Players Within a Specific Market
- Giving you a wide-angle view of the relative positions of the market's competitors
- Helps to digest how well technology providers are executing against their stated vision

MQ Matrix

MQ Matrix explanation

- **Leaders** execute well against their current vision and are well positioned for tomorrow (**make money now and in the future- TOC statement**).
- **Visionaries** understand where the market is going or have a vision for changing market rules, but do not yet execute well.
- **Niche Players** focus successfully on a small segment, or are unfocused and do not out-innovate or outperform others
- **Challengers** execute well today or may dominate a large segment, but do not demonstrate an understanding of market direction.

MQ Matrix

„A“ better than „B“ and „B“ Better than „C“

MQ Matrix

Using colors in order to show progress (Red = bad, Green = good)

MQ for BI
