Team project intermezzo

PV243 – JBoss course
Spring 2013

Jiří Kolář

Overview

- Feedback quiestionare

- Team project
  - Deliverables
  - Presentation
  - Examination schedule
  - Evaluation and grades
- Questions, discussion
-

Continous feedbacks

- Course partially student-driven
- By expressing your opinion improves quality!
- 3 Feedbacks during lectures (paper forms)
  - Completely anonymous
  - Be honest
  - Be constructive
  - If you don't like something, propose how to do it better

Warning

This document will be updated in IS, and serve as authoritative sources for rules and deadlines for project and examination!

Always get updated version from IS!

Team project deliverables

- **Source code** @Github with proper commits
- **.zip** @IS MU in "project" folder containing:
  - (projectName_implementation.zip)
  - Complete deployable project + Source code
  - .txt file describing steps to deploy and execute
- **.pdf** @IS MU in "presentation" folder
  - (projectName_presentation.pdf)
  - Use "presentation_template.odp" IS MU PV243 materials
  - to fill the template, use openoffice export to PDF, do not change template too much
- **Upload everything 76 hours prior to presentation**

Team project presentation & examination

- 15 minutes presentation (whole team!)
- 15 minutes quiestions and discussion
- Presentation will consist of
  - Project introduction 5 min
  - Each member explain his contribution 5 min
  - Project demo 5 min
- Precise timing required !!!!!
- Projection
  - Presentation and live demo from your laptop or local PC (you take care) - backup solution recommended
  - Do not rely on faculty WIFI too much ;)

Examination schedule

- **3 Examination days**
  - Regular term **11.6. 2012**
  - Regular and corrective **18.6.**
  - Corrective only **25.6.**

- **Team lead** subscribe for 30 min block
- Always pick the first free block each day!
