## CHEAP MONEY IN NEW YORK

Interested in some free - or at least cheap - money? The city authorities in New York are trying to get rid of 39 tons of coins from all over the world, which were put into the city's parking meters. They've already tried selling the 1.75 million coins off as scrap for 17,500 dollars, but nobody was interested. Now they're trying to either give them away to charities or make another attempt to sell them, but this time without quoting a price.
