INVESTMENTS IN EDUCATION DEVELOPMENT

Requirements to pass

- Present a paper review, we'll announce later
- Submit the experiment report, Petr Holub will explain in his talk
- Up to one unjustified absence

An absence is considered justified if you're missing, e.g., due to a conference, some reasonable MU-related event, or illness. Should the illness span over two sessions, please provide a proof, a doctor's report for instance.

Course agenda

Plan

- LM, AN: Motivation to Study ;-) and Official Stuff
- PH: Doing Experiments
- PH: Feedback on Homeworks
- DS: Managing Undergraduate Students and Other Remarks
- KC: How to visually present your results
- h-index, Electronic Information Sources
- Publishing Procedure in and Presentation at Conferences
