

## GRAMMAR REVISION – master studies exam

### Tense revision:

There are seven mistakes in this letter. Correct them:

Dear Mr Aziz,

I would like to apply for the job of shop manager which I see advertised in the local paper. I am twenty years old. I was born in France, but my family moved to England when I was twelve and I am living here ever since. I left school since three years and since then I am having several jobs in shops. For the past six months I am working in Halls Department Store. The manager has been saying that he is willing to give me a reference. I speak French and English fluently. I have also learnt German since I left school, so I speak some German too. I hope you will consider my application.

Yours sincerely,

Louise Brett.
