

PRESENTATION INSTRUCTIONS

Prepare a presentation on a chosen topic related to sports (any sport itself, its history, rules, outstanding athletes, your own experience; proper nutrition for athletes; physiotherapeutical procedures in healing sports injuries, business in sports...).

Your presentation should not exceed 10 minutes.

Give an outline of your presentation at the beginning, for further information about its structure see the first section in the interactive syllabus (including useful signposting language)

Upload your presentation in the form of a VIDEO on your cell-phone or any other electronic device, upload to „odevzdávárna“ available under the subject code. It must be obvious in the video that it is YOU speaking!

The deadline is December 5.
