PARTICIPATIVE APPROACH
 NOT USING EXPERIENCES AND KNOWLEDGE OF THE GROUP
 MISSING BREAK IN THE AFTERNOON SESSION
 NOT TOO MANY PEOPLE INCLUSIVE
 GREAT STUDY MATERIALS
 IT SHOULD BE MORE PRACTICAL, FACILITATION IN SMALLER GROUPS

The replay is fun and quick!

Some people talk too much and others are too shy...

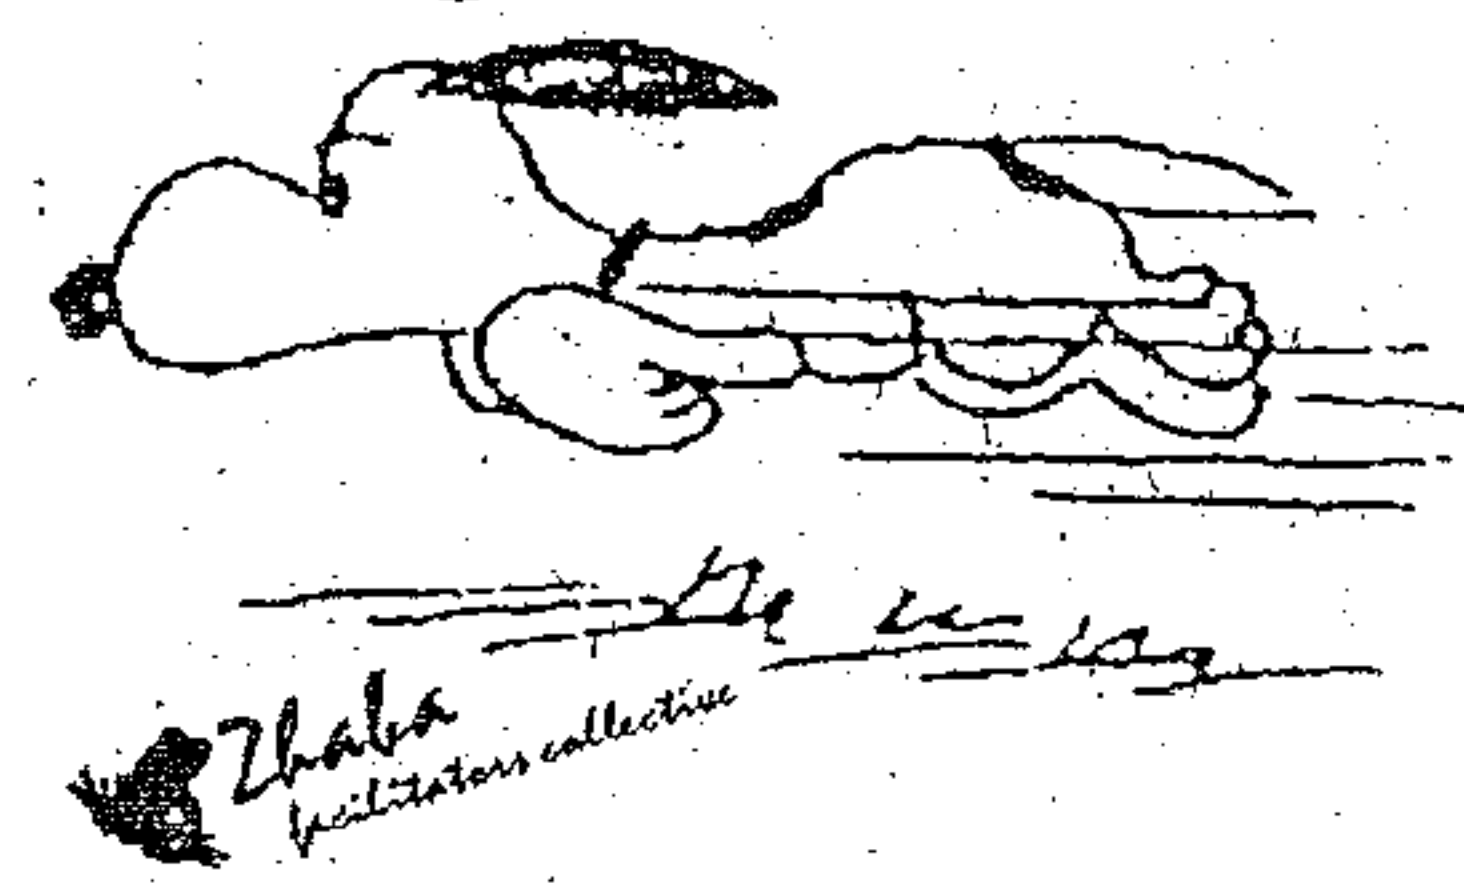

I am falling asleep - I need to do an energizer/icebreaker!

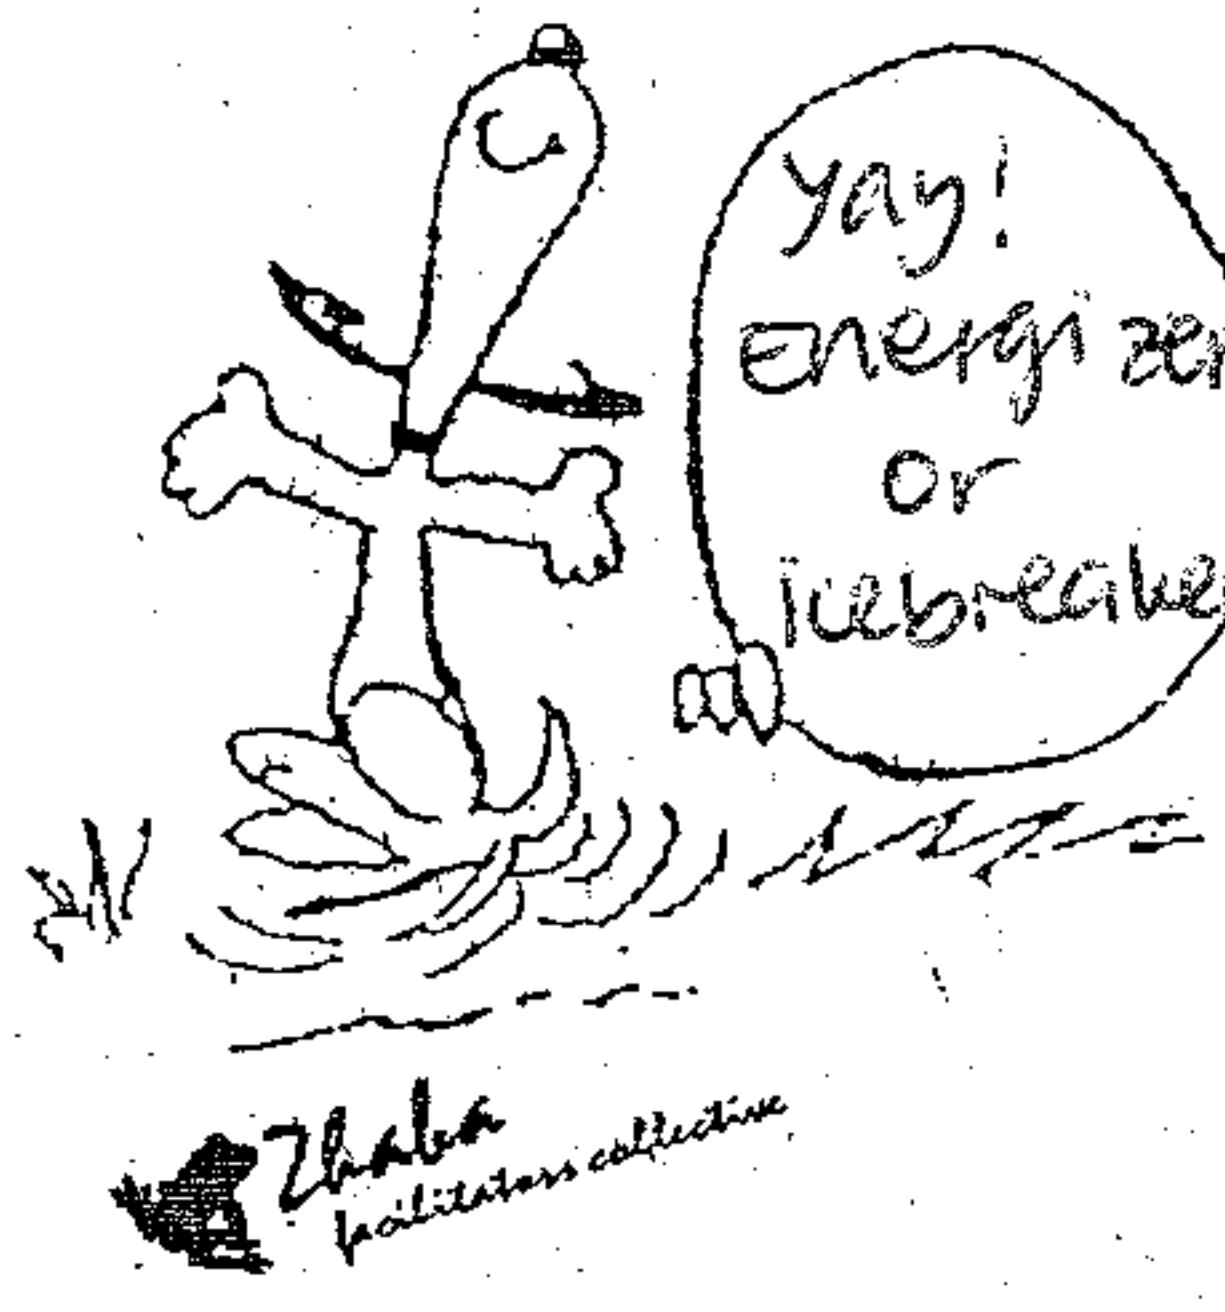

Hopefully I will retain most of the skills that I gained... and develop them!

I am tired of sitting down all the time - I want to run out of the building and play in the snow!

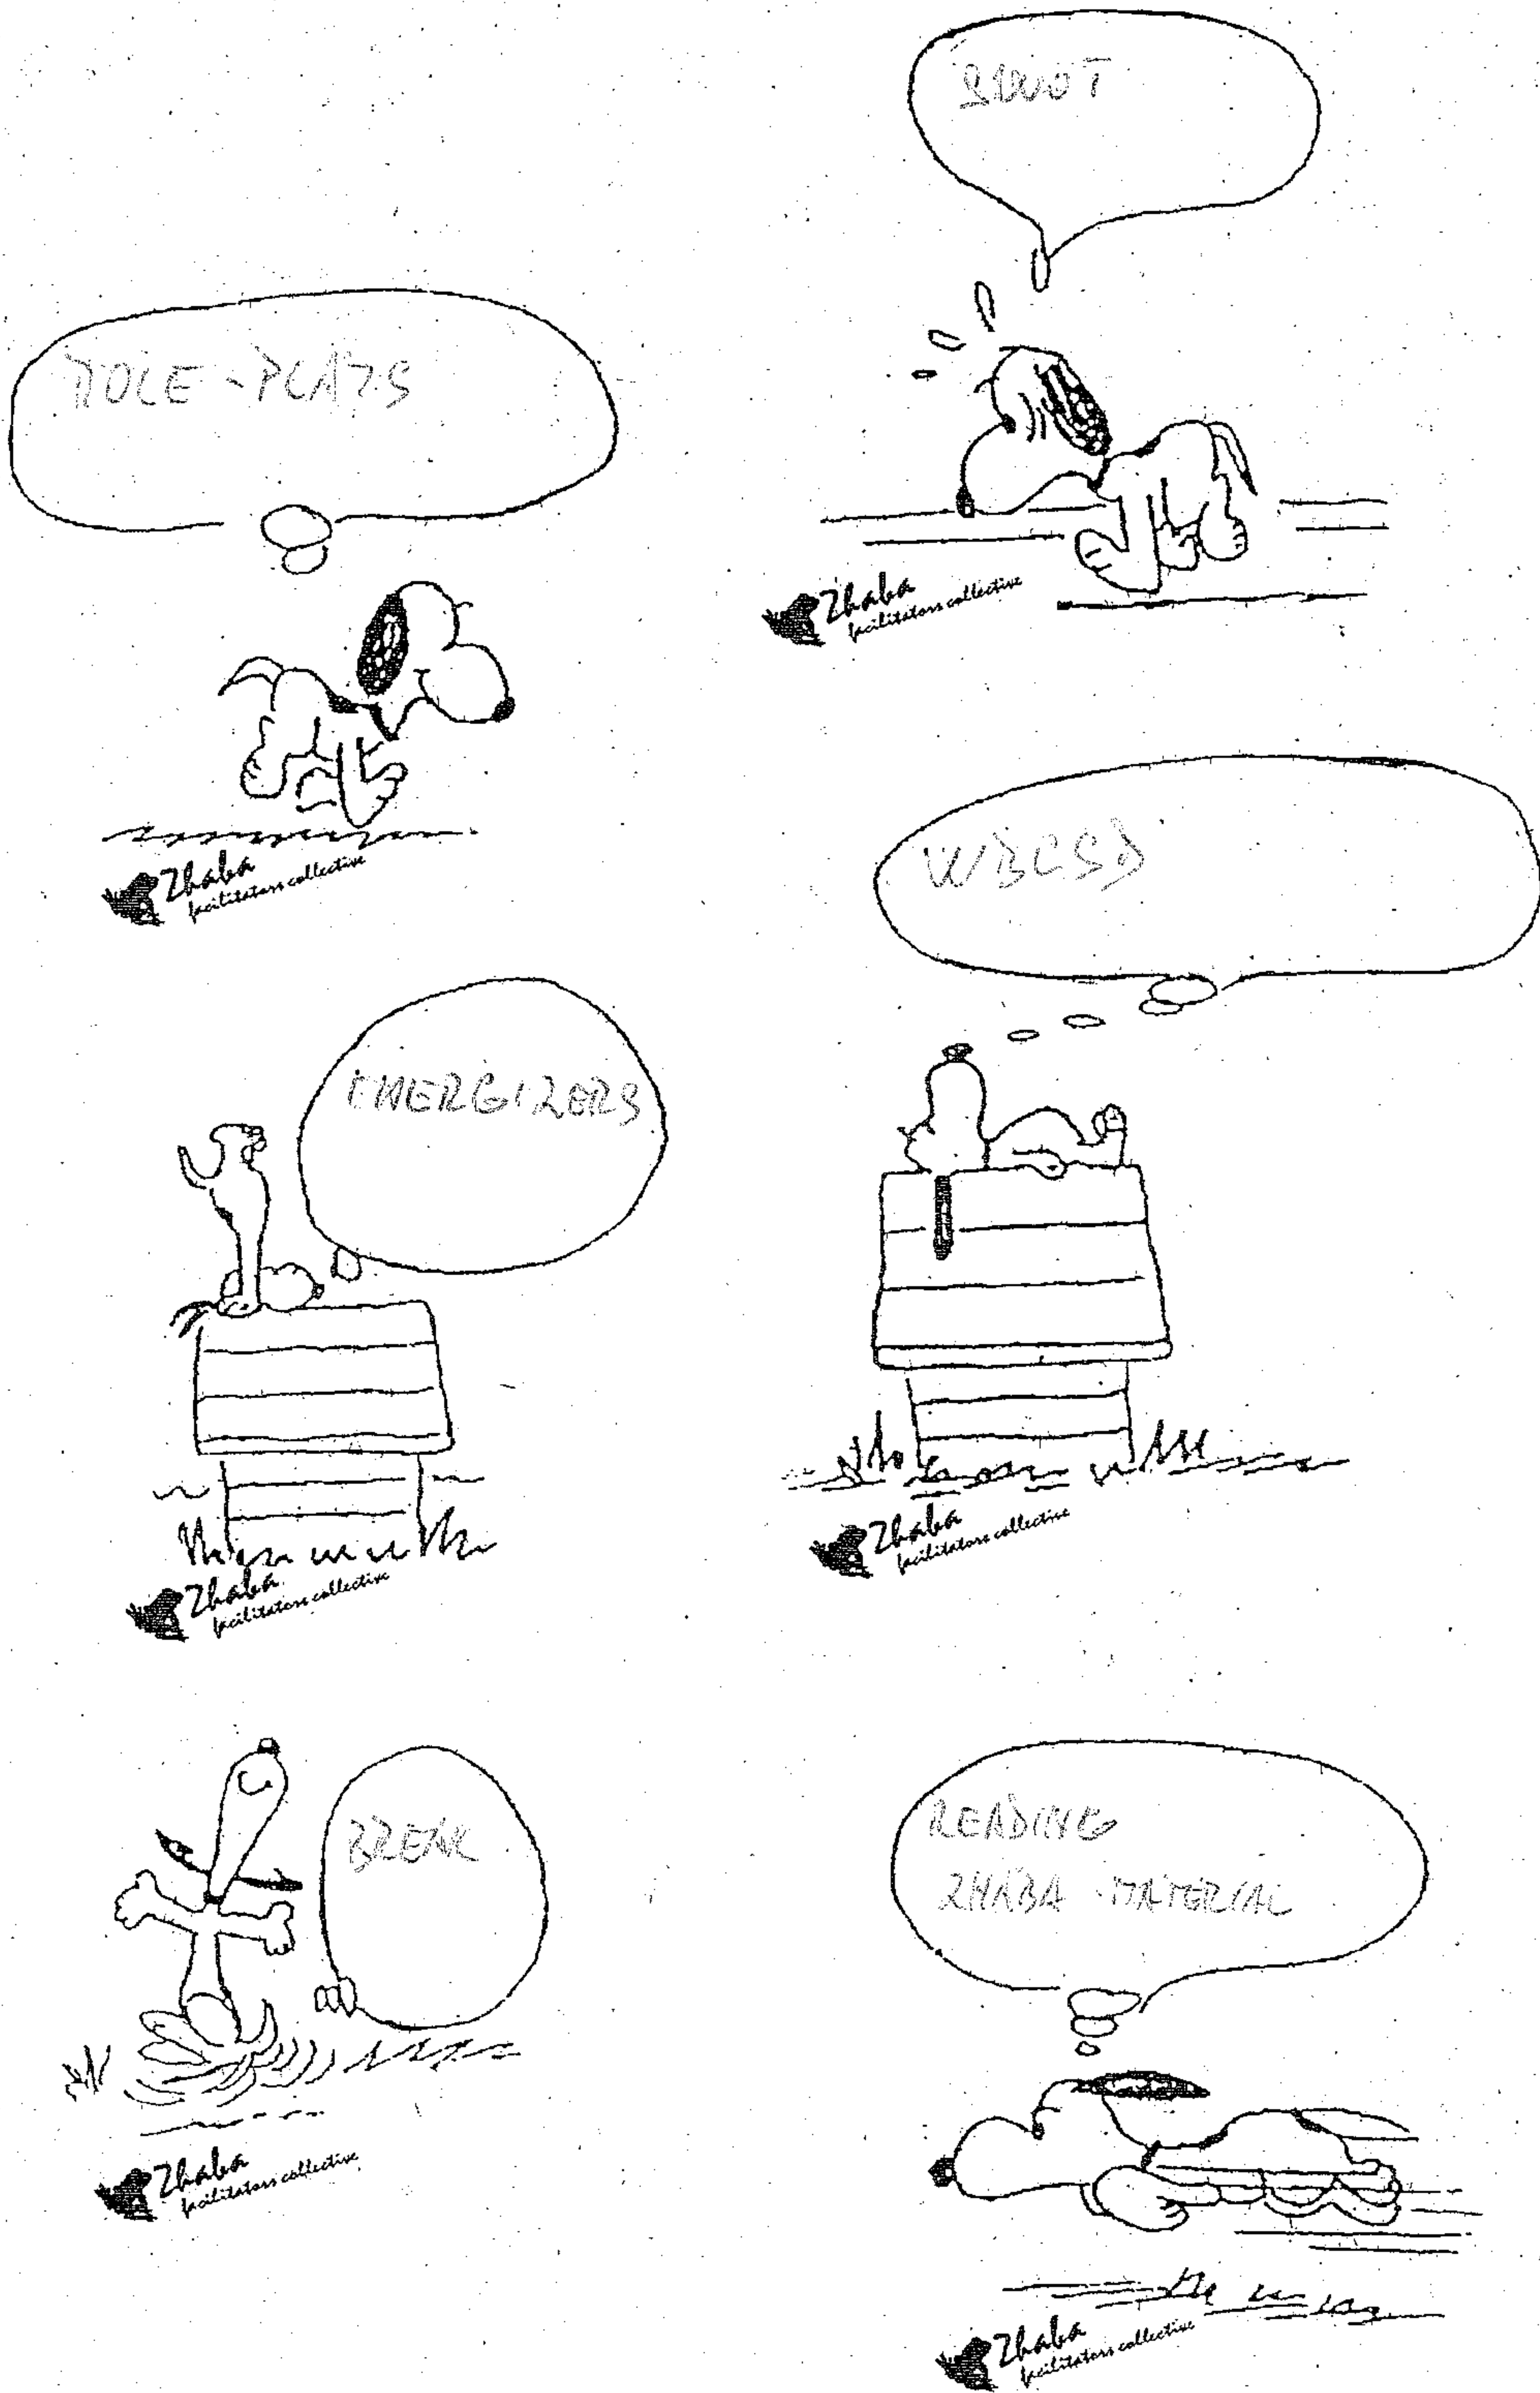

Yay! energizer or icebreaker!

after class on lots of
dec. it was brilliant
inspirative. makes me feel
change something

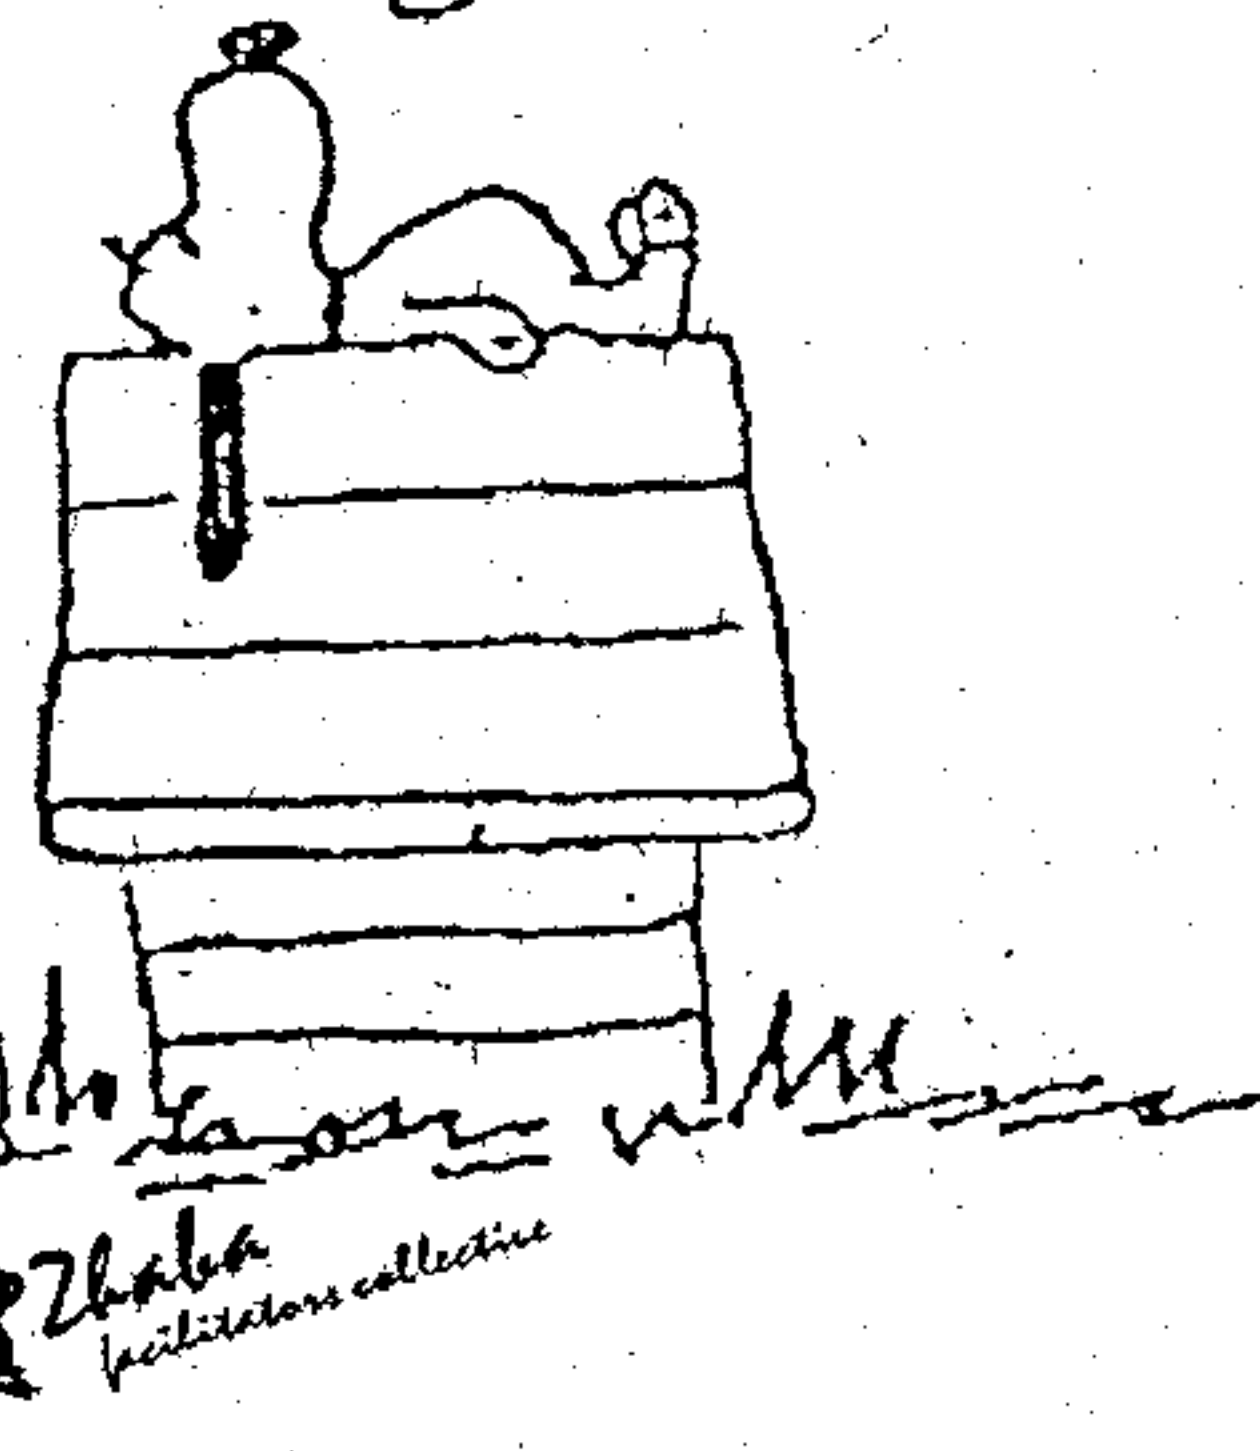

first class when
I didn't understand
what facilitation
is

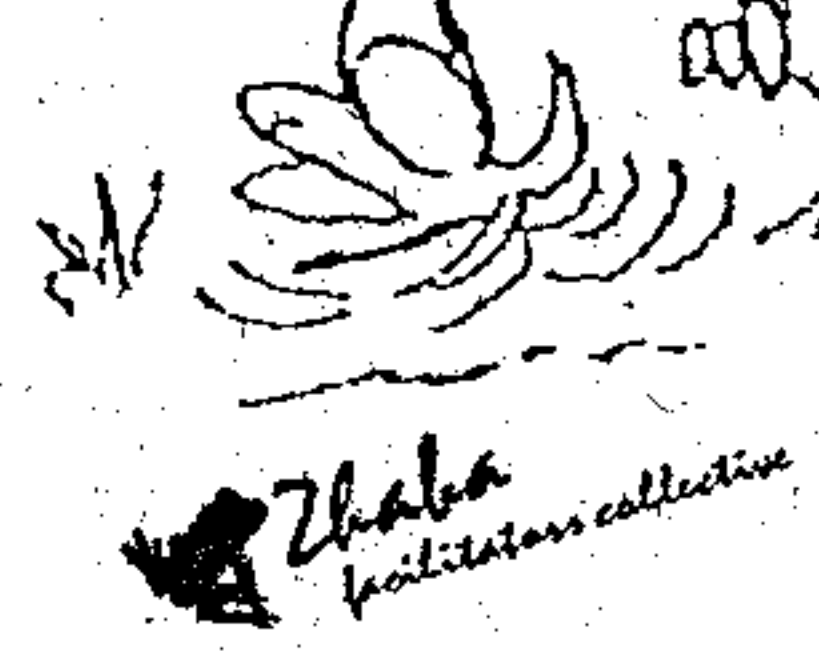

maybe on first
day

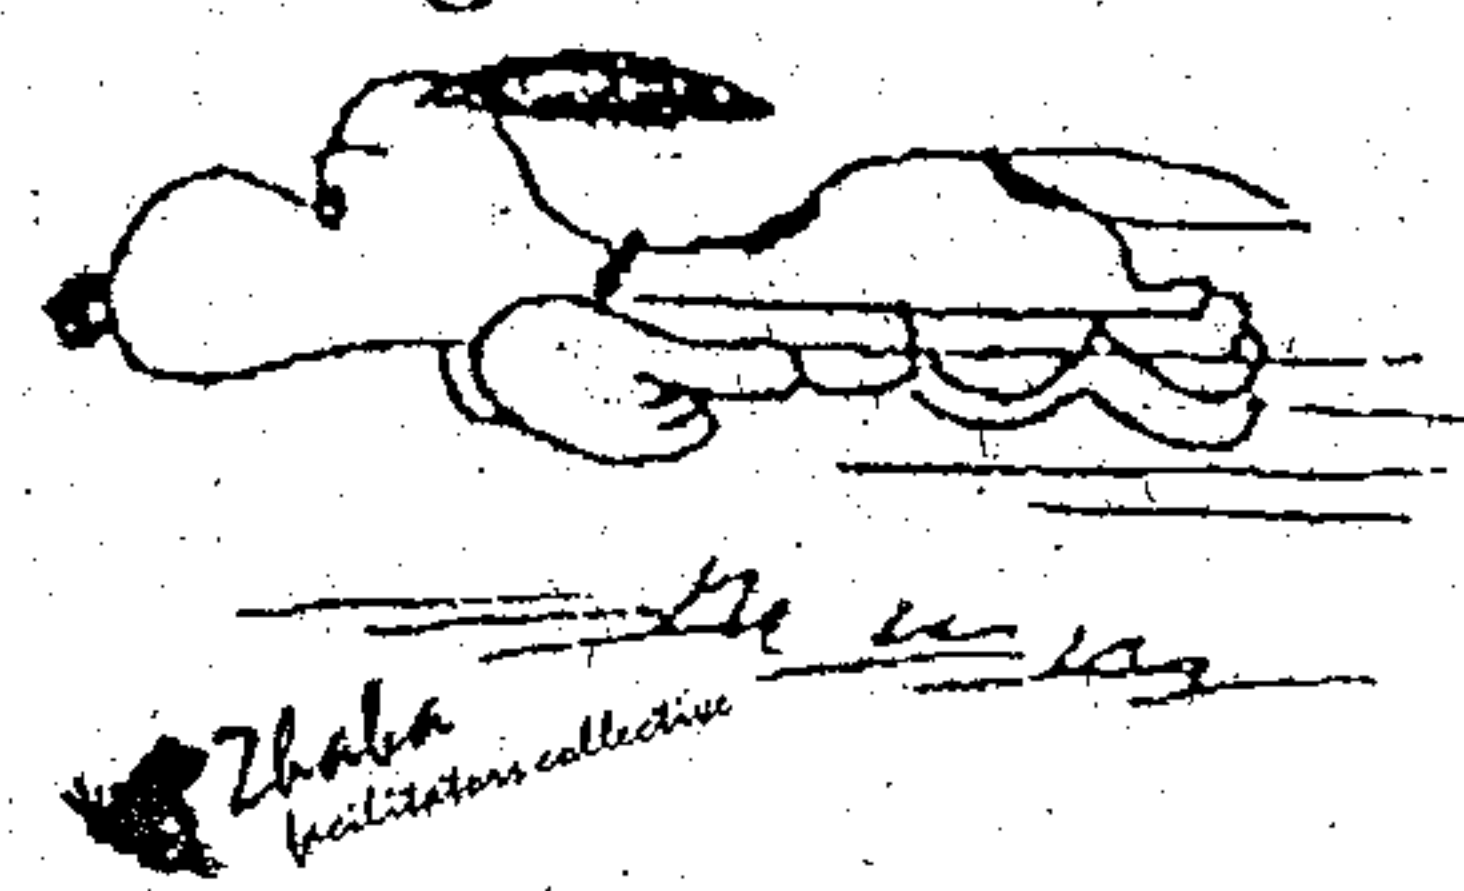

When we
talked about
ground rules and
whole theory from
people. I read that
and others didn't
so it was
boring for
me to listen
all over again.
I needed discussion
on next topic,
not introduction.

after
good feed
been
from role
playing facilitator

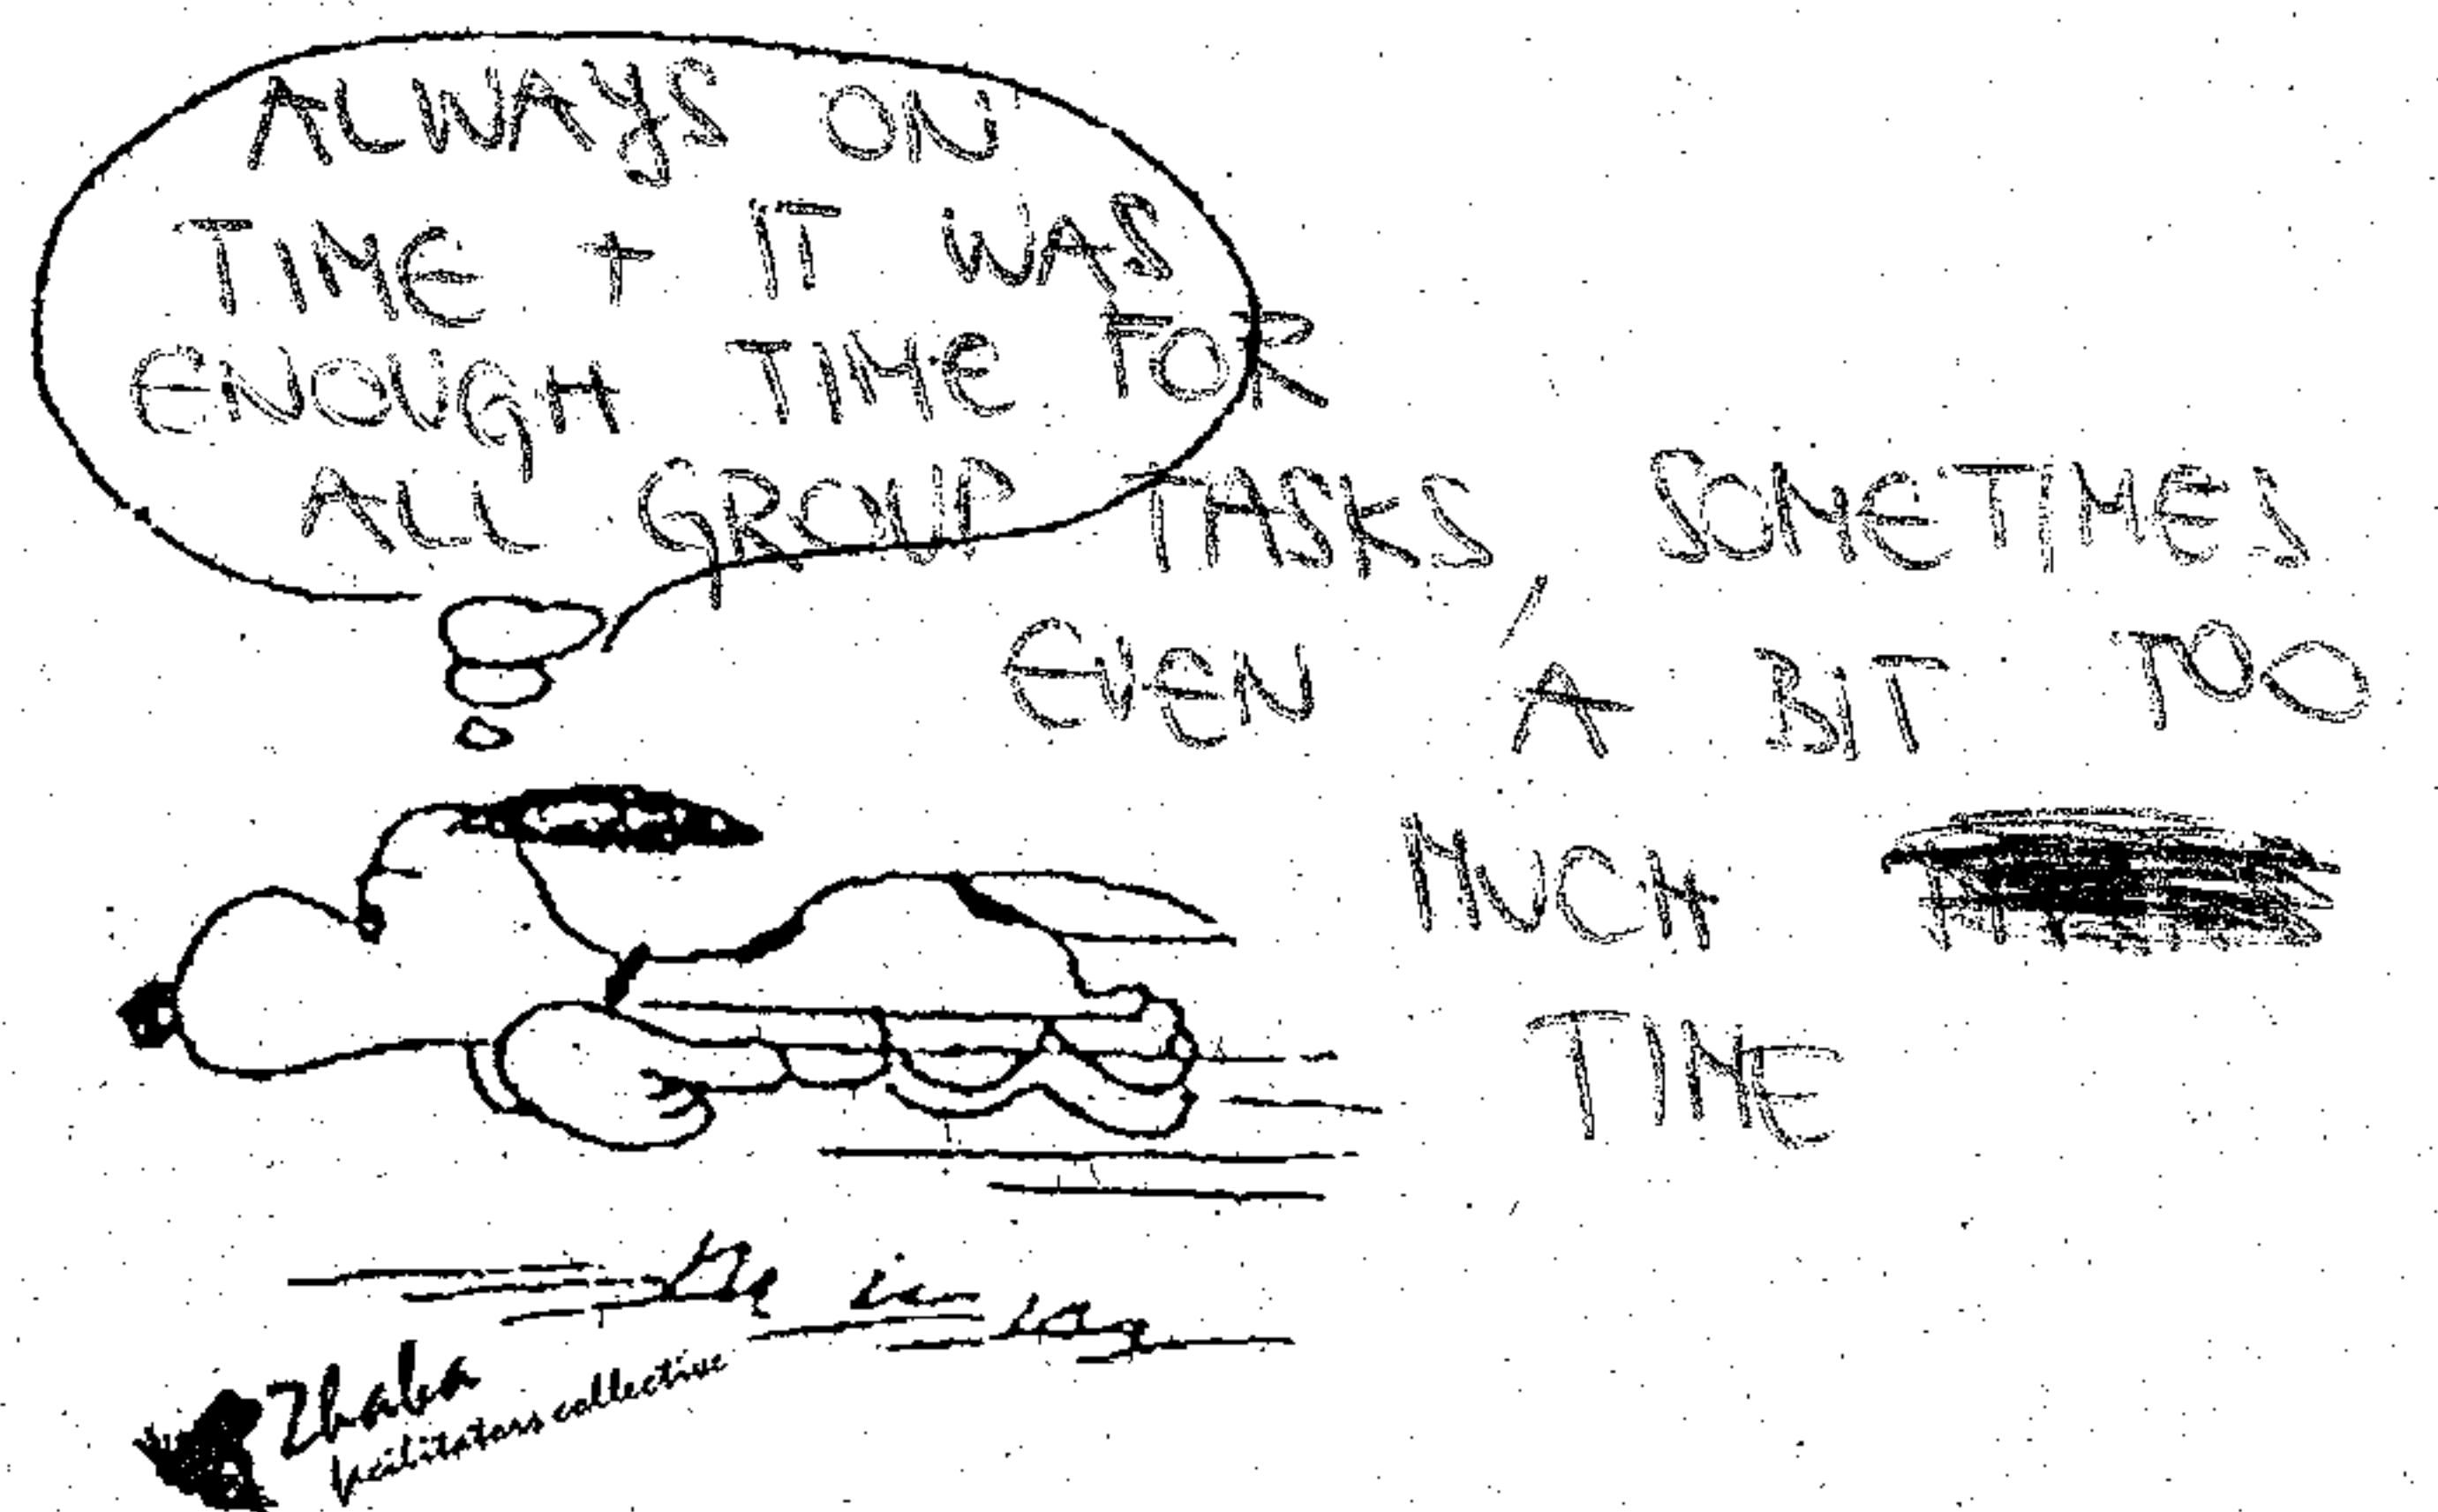

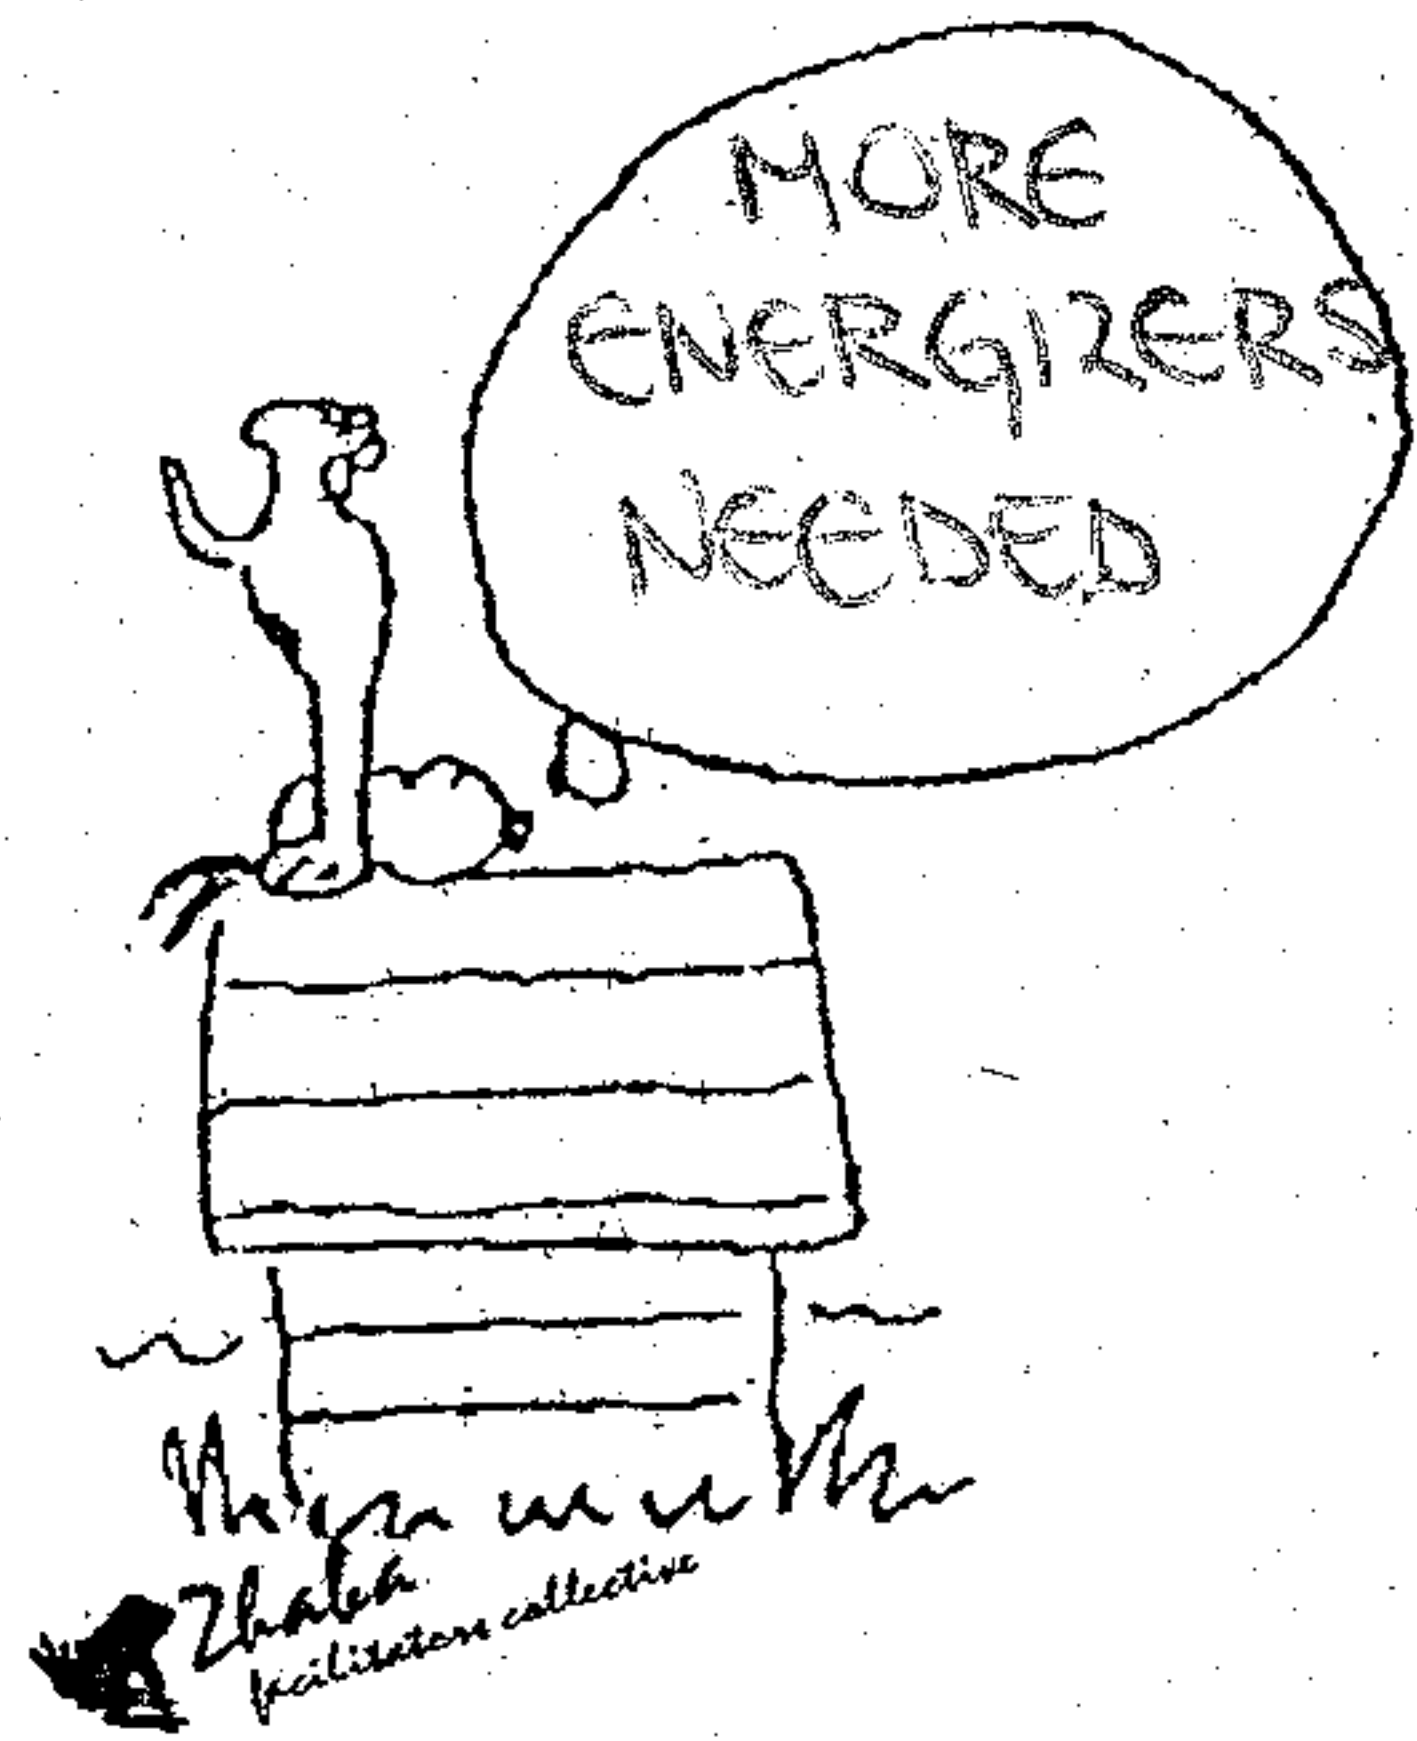

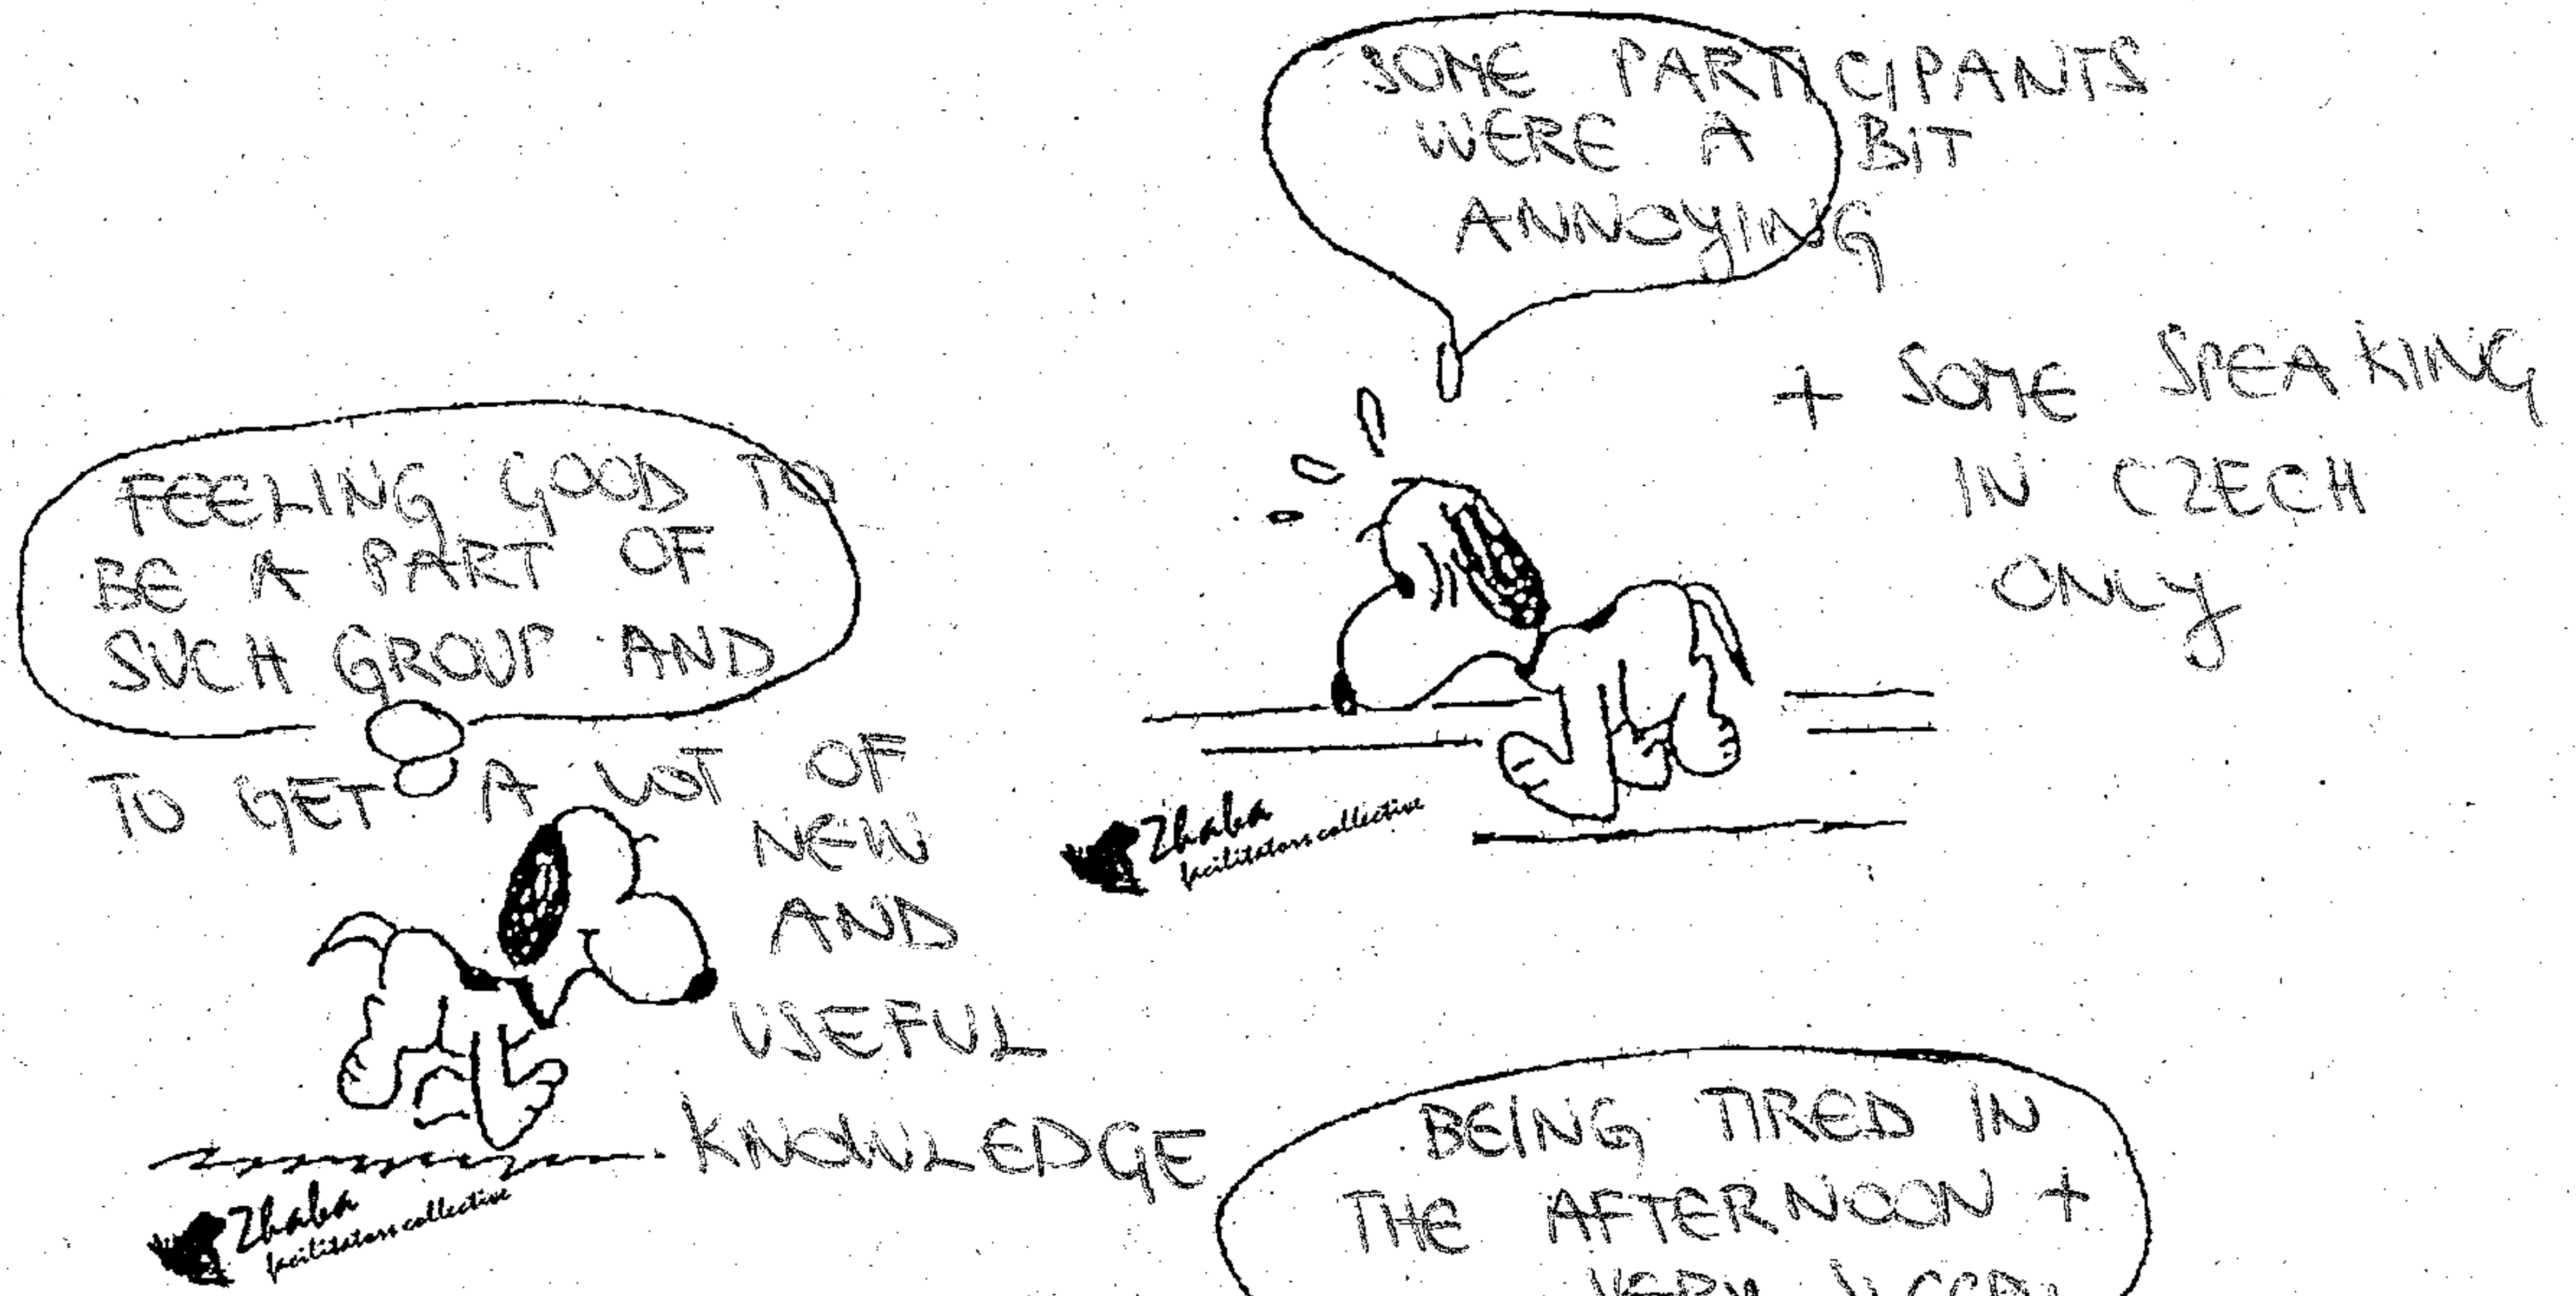

when doing sweet
