Scola Telcz 2017

Take unique opportunity of intense fieldwork & interdisciplinary experience in one of the few Czech small cities with strong rural facet! You are invited to participate in the interdisciplinary workshop on regeneration of the rural townscape close to the UNESCO town center in Telč, followed by two intense meetings in FSS MU during the autumn semester 2017/2018. The initial fieldwork workshop will take place in Telč in September 18th-23rd 2017.

The curriculum-related workshop

Successful absolving Schola Telcz will get you 6 ECTS, the accommodation and transport is fully covered by Masaryk University, you might also get financial support for the catering during the fieldwork week.

This year aim for sociology

Neighborhood in Telč-Staré město: Challenges for sustainable social development

How to apply

Simply register to the study group 06 of the course SOC 186 Research practice until September 11th 2017.

We are the public-oriented activity!

Schola Telcz will start with the public opening showing the results of the last year round. Find more details here:
<http://www.telc.eu/kalendar/1076>

The competences of thick description and cultural-sociological analysis are more than welcomed!
