Finally, there is a file with the essay grading criteria.

### **STRUCTURE:**

The purpose of this essay is to work in a cultural sociological way. The assignment is very broad – you may choose any topic, as long as you utilize some of the theory/theories we have covered in the class. I will approve the topic and make sure that your research question is narrow enough to answer successfully in an essay of this length.

The final essay should be approximately 10-12 pages (2.5 cm. margins, double-spaced, 12 pt. Font). The total word count should be between 3,000 – 4,000 words.
