Serbia: the plain tricolour as the national flag, the tricolour with coat of arms as the state flag

The flag with 4 S is often used, but unofficially. Само слога Србина спашава *in lat. Samo sloga Srbina spašava* (Only Unity can save the Serbs)"

Elections - failure of multiethnic state and Dayton??

Almost every elections win the ethnic parti

Questions:

Is the endeavour of the international community to build the multiethnic society right/feasible?

Does BiH in its current shape have a future?

Would not be better to divide Bosnia? If Yes – How?

Would not be better to build nation states in the Balkans – Greater Serbia, Greater Croatia etc.?

Should the international community withdraw from BiH or stay?
 What do u think about the US – stepping into the war, ending it and then withdrawing leaving the job on the EU?
