10) She went for a long walk,despite being cold.
Relative pronouns:
Fill in the gaps using who, which, where, when or whose. If the sentence can work without
the pronoun, <u>do not write any</u> .
This is the place where we fell in love. It was in 1991 when everyone listened to Nirvana. Their latest CD which I bought immediately was a great hit. Curt Cobain, whose music was in all ways extreme, just celebrated his 25th birthday. He, who introduced grunge to the world, was my idol. But the other day, I lost the CD. I could not think of any room where I could lose it and frankly, not even of any time when it could happen. I was devastated. But then, I met a girl who was screaming at

the road: " Whose CD is it?" "It is mine!" She looked at me and asked. "How do I know it is yours?" I did not know what to say. I did not have any paper which would show it is mine. "Well, it is me who lost it. I have no proof. But I am the biggest fan!" She said: "No, it is me who is the biggest fan. Anyway, this cd whose owner we do not know, would know the year when Cobain was born." "Of course I do! 1975!" "OK, I will give it to you. But only if you listen to it somewhere where I am too. I love Nirvana."
