C Put these into plural:

6 analysis
7 appendix
8 apex
9 foramen
10 phalanx

D Complete the text:

THE KEY TO GOOD HEALTH

Healthy eating is (1) the key to general well-being.	DOUBT		
Our bodies are made up of what we eat, so our (2) and	FIT		
(3) cannot possibly escape the effects of bad diet.	VITAL		
Sweets, chocolate and cake are fine in (4), but trouble	MODERATE		
arises when people just can't leave them alone, (5)	GREED		
eating every possibly sticky item that come their way. (6)	TREAT		
is available for serious problems but (7) is normally	AVOID		
better than cure. Make a careful (8) when it comes	CHOOSE		
to desserts, and favour cafés that offer a good (9) of fruit	SELECT		
and juices to round off your meal. A (10) in your sugar	REDUCE		
intake may well hurt at first but you will feel better for it.
