Comments

Recommended owner to brush Chesire more often to help prevent hairballs.

Requires supervision during visits.

She seems to enjoy knocking items
She is very excitable. I recommend trying
to calm her down with a toy mouse prior

Owner concerned with Sylvester clawing
her furniture. Suggested the purchase of
Emma is actually a canine that
was brought in for a check up with
Anger appears skinny, so I recommended
special brand of tuna for her diet.

Cat is very fussy--*handle with care*.

Seems to respond to the name "Goober".

Azriel has very sharp claws. Very fussy.
