

The courses in the academic year 2018/2019
The Department of Gynecology and Obstetrics
Master's degree program – 5th grade – General medicine

VLPG0921, 922 c

The courses start on **Monday mornig at 8:00 a.m. in the lecture hall** - Obilni trh 11 or Bohunice.

It is obligatory to bring the white dress – shirts and pants, shoes to change, lock (pad lock), name tag or ISIC card, recommended textbooks (see in study materials IS) !!!

Afternoon or weekend practice instructions:

At least one afternoon or weekend practice is prerequisite for credit !

The aim of afternoon practice is to improve practical skills in obstetrics and gynaecology.

Afternoon practice starts at 1 p.m. after seminar that is common for both morning and afternoon training and continues untill 4 p.m.

Weekend practice is from 8 a.m. untill 11 a.m.

Booking for afternoon or weekend practice is recommended by IS muni.

Once more, do not forget:

!!! Without clean white shirt and pants, shoes to change, name tag or ISIC card the approach to the hospital wards is not allowed!!!

Lessons start on Monday at 8 a.m. in the lecture room in Porodnice, Obilni trh 11, Brno.

Brno, 1st September 2018

prof. MUDr. Pavel Ventruba, DrSc.
přednosta Gynek. - porod. kliniky
