For adding the foods, you can also use mobile app "MyFitnessPal" available for iPhone and Android.

After completion of the list for whole day, go to web myfitnesspal.com and open the food diary ("Food-Food Diary"). Set the window size to fit the entire list including sums of the parameters on the screen. Use "Print Screen" to take a copy of the screen, save it as a picture, crop it and fit it into A4 page format.
