AUTUMN SEMESTER 2018

Course completion requirements:

- **60% on final credit test** (test content: listening, cloze test, wordformation, vocabulary – multiple choice, sentence transformations, reading: sentence gapfil)
- **Attendance** - two unexcused absences are tolerated. Absences beyond this quota are excused provided a letter of excuse is handed in at the Office for Studies which then officially displays it in the IS.

Attendance - special regime for “students with certificates“:

Students with certificates (FCE, CAE, CPE, not maturita - Czech or Slovak) proving communicative competence at the B2 CEFR level and higher will upload the copies of their certificates under the following link by 7 Oct 2018 https://is.muni.cz/auth/el/1411/podzim2018/VSAJ0121/ode/ode_65255697/.

After doing so, they are exempt from the duty to attend the course, although they are strongly recommended to do so. The so called certificate students fulfil all the other study requirements in the same way as students without certificates.
