I'm Going Slightly Mad by Queen

When the ----- temperature rises
And the meaning is oh so clear
One thousand and one yellow -----
Begin to dance in front of you, oh dear.
Are they trying to tell you something?
You're missing that one ----- screw,
You are simply not *in the pink*, my dear, = kypět zdravím
To be honest you haven't got a -----
I'm going slightly mad,
I'm going slightly mad,
It finally happened, happened
It finally happened, ooh oh,
It finally happened.
I'm slightly mad. (Oh dear!)
I'm one ----- short of a full deck,
I'm not quite the shilling,
One wave short of a -----
I'm not my usual *top billing* = protěžování médií, přední místo v seznamu účinkujících
I'm coming down with a -----
I'm really out to sea
This ----- is boiling over
I think I'm a banana tree.
Oh dear, I'm going slightly mad,
I'm going slightly mad,
It finally happened, happened,
It finally happened uh huh
It finally happened
I'm slightly mad (Oh dear!)
I'm knitting with only one needle,
Unraveling fast it's true,
I'm driving only ----- these days,
But my dear how about you?
I'm going slightly mad,
I'm going slightly mad,
It finally happened,
It finally happened, oh yes
It finally happened.
I'm slightly mad!
Just very slightly mad!
And there you ----- !
