

"Nothing Better" by The Postal Service

Will someone please call a surgeon  
Who can crack my ribs and repair this \_\_\_\_\_ heart  
That you're deserting for better company?  
I can't accept that it's \_\_\_\_\_  
I will block the door like a goalie tending the net  
In the third quarter of a tied-game rivalry

So, just say how to make it \_\_\_\_\_  
And I swear I'll do my best to comply

Tell me am I right to think that there could be nothing better  
Than \_\_\_\_\_ you my bride and slowly growing old together

I feel must interject here, you're getting carried \_\_\_\_\_ feeling  
sorry for yourself  
With these revisions and gaps \_\_\_\_\_ history  
So let me help you remember.  
I've made charts and graphs that should finally make it clear.  
I've prepared a lecture on \_\_\_\_\_ I have to leave

So, please back \_\_\_\_\_ and let me go  
I can't my darling I love you so...

Tell me am I right to think that there could be nothing better  
Than \_\_\_\_\_ you my bride and slowly growing old together

Don't you feed me lines about \_\_\_\_\_ idealistic future  
Your heart won't heal right if you keep tearing \_\_\_\_\_ the sutures

I admit that I have \_\_\_\_\_ mistakes, and  
I swear I'll never wrong you again

You've got a lure I can't deny,  
But you've had your \_\_\_\_\_ so say goodbye  
Say goodbye

There was a decorated General with a heart of \_\_\_\_\_  
That likened him to all the stories he told  
Of past battles won and \_\_\_\_\_ and legends of old  
A seasoned veteran in his own \_\_\_\_\_  
On the battlefield he gained respect for fame  
With many medals \_\_\_\_\_ bravery and stripes \_\_\_\_\_ his name  
He grew a beard as soon as he could to cover the scars on his face  
And always urged his men \_\_\_\_\_  
But on the eve of great battle with the infantry and dream  
The old general tossed in his sleep and wrestled with its meaning  
He awoke from that night to tell what he had seen  
And walked slowly out of his tent  
All the men \_\_\_\_\_ tall with their chests in the air  
With the courage in their blood and a fire in their stare  
And it was a gray morning and they all wondered how they would

\_\_\_\_\_ Till the old general told them to go home

Chorus:

He said,  
"I have seen the \_\_\_\_\_ and I have discovered that this fight is not worth

\_\_\_\_\_ And I've seen their mothers and I will no other to follow me where I'm  
going

So, take your shower, shine your \_\_\_\_\_  
You got no time to lose  
You are young men you must be living  
Take your shower, shine your \_\_\_\_\_  
Well, you got no time to lose  
You are young men you must be living  
Go \_\_\_\_\_ you are forgiven"

But the men stood \_\_\_\_\_ with their guns on their shoulders  
Not knowing what to do with the contradicting orders  
The general said he would do \_\_\_\_\_ own duty  
But he would extend it no further  
The men could go as they pleased  
But not a man moved their eyes gazed straight ahead  
Till one by \_\_\_\_\_ they stepped back and not a word was said  
And the old general was left with his own words echoing in his  
head  
He then prepared to \_\_\_\_\_

Chorus

Go \_\_\_\_\_ you are forgiven, etc.

"Don't Think Twice, It's All Right" by Bob Dylan

Put the following 10 phrases in the order in which they appear in  
the song.

Change my mind - She wanted my soul - At the break of dawn -  
You've never done before - It ain't no use - I don't mind - The  
dark side of the road - I'll be gone - Where I'm bound - Too  
much talking

"The General" by Dispatch
