Reported Speech (Indirect Speech)

If we report what another person has said, we usually do not use the speaker's exact words (*direct speech*), but reported (*indirect speech*). Therefore, you need to learn **how to transform direct speech into reported speech**.
The structure is a little different depending on whether you want to transform a **statement**, **question** or **request**.

Statements

When transforming statements, check whether you have to change:

- pronouns
- present tense verbs (3rd person singular)
- place and time expressions
- tenses (backshift)
