

Course completion instructions

- 1) Prepare a test for colleagues - 20 questions from Effective Educational Communication Learning Materials for students - with marked the correct answers. You put in the folder in IS. I choose 10 of these questions and you will write an online test.
- 2) Shoot a 7-10 minute video in which you will explain some concept of educational communication. Make self-reflection. Send video to a colleague who comments on it. You put video, self-reflection and reflection of classmate in the folder in IS.
