

RESULTS FOR PRACTICAL LANGUAGE 2005 FALL

Dear Students,

This is the 3rd time in the past 11 days that I have attempted to put your scores on the IS. Last week I uploaded them onto some strange corner of Masarykova University cyberspace and lost forever and then again today they were loaded correctly onto the IS with witnesses (some of your colleagues actually saw it listed there) but the files would not open! So, if you are reading this, it means that my 4th, perhaps 5th attempt to overcome IS has been successful. I do apologize to any of you who were inconvenienced by this delay.

Sincerely,

Your unknowingly technologically challenged teacher ☺ Rob

BELOW ARE TWO SCORES THE FIRST IS YOUR WRITTEN WORK SCORES AND THE SECOND IS YOUR EXAM AND PARTICIPATION SCORES. TOGETHER YOU NEED 140 POINTS TO PASS THE COURSE.
