

Sorry about the delay in getting your results out and thanks for your patience. As you saw on the message board I was to post the results last week.... and I did, but, apparently in the wrong place. So, if you happen to see them floating around in cyberspace, please tell them hello. Rob

p.s. I hope that everyone is enjoying this glorious exam season

#### Practical Language Results 2005 Autumn 2<sup>nd</sup> Year Bachelors

Your scores are listed according to overall written and then the final exam. Both are on a 100 point scale, and your combined score should be over 130 to pass.
