Queue

- the only word that is still pronounced the same way when the last four letters are removed

The most common letter in English

E

This paragraph is not ordinary. Look at it. At first, it won't look too odd. Just a normal paragraph – you may think. But look at it again and you might find it a bit unusual. Just a tiny bit. What's wrong with it, you may ask? Nothing wrong at all, in fact: as I said, it's just slightly unusual. It's difficult to put it in words. Look again. Is anything not right? Can you spot it? Is anything ... missing?

There was no letter E

- It's the hardest kind of lipogram.

Lipogram

= a text written without using a particular letter of the alphabet.
