

Speaking

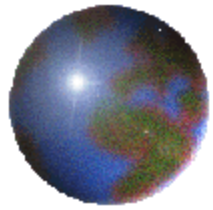

*“I have learned English for
five years and I cannot speak
at all!”*

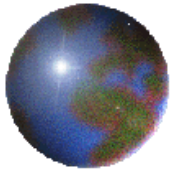

For intensive speaking

- ✚ Prefer fluency to accuracy
- ✚ Forget the noise in the classroom
- ✚ Let them imitate
- ✚ Avoid unpleasant criticism
- ✚ Give good instruction
- ✚ Prepare as much as you can in advance

? ... *but you can write, can't you?*

*Even if you do learn to speak
and write correct English,
whom are you going to speak
and write it to ?*

Clarence Darrow (1857-
1938)
