1	Their teacher borrowed me the textbook and said me which page I can (but don't have to) prepare for the lesson.
2	I told the first girl to come to the class and ask her classmates what story did they hear.
3	pupils had to guess what those personal information
4	Each pupil got a paper and their task was ...
5	even though I pointed out that it is not a competition
6	... feeling that they are not practicing anything, but [in fact] they practise vocabulary as well as ...
7	When I stepped into the class I told to my students that we will revise XY vocabulary today.
8	Then I told my students that they have to walk ...
9	After few seconds, it [an instrument] stops pointing out one of the words ...
10	... when pupils were ready with the crossword, [we checked the answers]
11	... but I once did a great activity, that I think my pupils enjoyed.
12	the children decided who was the navigator
13	When the lesson was starting, I was putting the cards on the board using Blue-Tack while I was explaining the pupils what we would do.
