

Syllabus and requirements for Pronunciation Exercises 3A

Tasks:

- study individually this following book and practice all the sounds and features (minimal pairs, word stress, sentence stress, intonation):
 - **Ship of Sheep? An intermediate pronunciation course (third edition) (2006). Baker, A., Cambridge University Press.**
- keep notes of words or features you used to mispronounce + the correct pronunciation you have learnt
- think of a creative activity you'd use in a classroom to teach the children pronunciation
- at the end of the semester or during the exam period, come to the evaluation (send me an e-mail to confirm the date) with all the completed tasks – you'll also be asked to read aloud a brief text and some examples from the book
