

Poverty

An initiative to tackle poverty

- What do other schools do to tackle any aspects coming from poverty? (literacy, nutrition, health, emotional well-being, etc.)
- What do they do and how does it help to solve that issue?

(research individually online in English then come back together as a school and share information)

Poverty

Create an initiative to tackle poverty for your school.

Create it on paper or a new DOC on a laptop

- What's the name of your initiative?
- Which aspect is it tackling? (literacy, nutrition, health, emotional well-being, etc.)
- What is your initiative?
- How does it help to solve that issue?
