

Project Report

The place I went to:	
My anticipations and concerns (what I was not sure about, afraid of, etc.):	
The planning stage	
Organization: contacting the place, setting the time frame, frequency)	
Choosing the child-children	
Book selection and criteria I considered	
Goals - what I wanted to achieve - only to try, or some more aims, e.g. language aims?	

<p>(Think of what you want the child to get out of it but also about you).</p>	
<p>Lesson planning (share the lesson plan outline if applicable)</p>	
<p>The pilot: record your experience from the reading (its ups and downs, spontaneous moments, etc.)</p>

Reflection and feedback

Did the child like the experience?	
What I learnt about the child.	
Did I like the experience?	
What I learnt about myself	

What I gained from the experience	
What I would change next time
