

QUESTIONNAIRE:

Hello.

My name is Markus Schönherr, I'm an ERASMUS student from Germany and spend my semester abroad at Masaryk University in Brno. My home university in Chemnitz, however, gave me the task to write a so-called "Area Project" while being abroad. I have to look at a special topic that is related to my stay at the guest university, and in this respect I want to answer the question: "Does the University system of the Czech Republic need a reform." In order to prove my thesis I want to support it with the opinions of students that study at the Masaryk University and know what is going on at the university.

That is why I want to ask you to participate in my research project. The only thing you have to do is to fill in a questionnaire. This will take you approximately 5-10 minutes. Your participation is completely voluntary, and your responses will be strictly confidential. If you have any questions, or simply want to know something about my project you are free to write me an email: 386784@mail.muni.cz

Please send also the completed questionnaire to this address. Please mind the deadline which is 12/1/2011.

Thank you very much for your time and support.
